\$100 Rebate

on Berg Silo Unloaders (for early ordering)

Important sales points: 1. Does not depend on silage to settle before machine can be used. In other words, the machine can unload from the silo the same day filling takes place. 2. No adjusting of weights or drums. 3. Low cost filling, with distributors. Two machines in one. It is used for unloading and it is used for distribution of the silage when filling. 4. Unloader will not bury itself. 5. The machine will not tilt.
