"If you want to get across an idea, wrap it up in a person."

Some weeks ago it was decided by Contact's referral board to have a special fund-raising meeting. A young man appeared with understanding of Contact's service and a real desire through many fellow musicians from our area to organize and promote a benefit concert on behalf of Contact.

He was committed to the idea and the responsibility of handling every detail with care. As a result, he arranged for the use of the Midland Secondary School Cafeteria on Friday, May 30 from 9 p.m. to midnight. It is exciting to observe the enthusiasm with which young people work when they have a real purpose. It has given our Contact people a real uplift to have someone work independently for our benefit. The young musicians have asked that we encourage adults to attend to because they feel the music will appeal to all ages. There will be folk, Dixieland, contemporary, jazz, blues and boogie; sounds like the music of the forties, folks.

Come and enjoy our terrific local musicians and support a group of great kids who have worked hard in order to contribute to Contact and the many people we assist.

Musicians are Jim McMillan and Bart Devonshire, folk singers; John Coull, Scott and Pete Whittington, Roger LaCroix, Dave Paille, Dixieland set, Mike McVittie, Pete Bolte, Chris Mounsteer, Bart Gilcrest and Don Trevin, contemporary music; Gord Goodman, Keith Stratton, Dave Cameron, Lorne Pinkney, Ernie Hamlin, and special guest Dan St. Amant, jazz quintet; Paul Brown, Paul Woodhouse, Hugh Bremner, Grant Peever, Gary Huvers, Blues & Boogie.

Refreshments will be on hand with a great committee in charge. Food donations for this benefit have been appreciated. Chaperones are Mrs. Tiny Pinkney, Mrs. McVittie, Mrs. Wilcox, Chris Thomson, Mrs. McMullen, Mrs. Brodeur, Mr. Wilcox and Mrs. Sylvia Cameron, parents and teachers of the students.

The kids are making a terrific effort to keep costs down and profits up. Support us by attending an enjoyable evening for all ages this Friday night.

Shut-ins day
There are many disabled, immobilized citizens cut off from normal activity in our communities. The first Sunday in June is set aside each year as Shut-Ins Day. A personal card, a visit, a drive in the warm summer air, a gift, a letter, a phone call are many ways of bringing warmth to sometimes lonely lives with small acts of love and friendship; those confined to hospitals or senior citizen's homes, as well as those who live alone.

Be thoughtful, make yourself feel good—visit a shut-in—not just one Sunday, make it a habit. Somehow you always receive so much when you give because you care.

Patrollers to Ottawa

Eighty school safety patrollers from North Simcoe were to Ottawa last Thursday morning to take part in a large Jamboree involving 8,000 safety patrollers from across Canada.

Among the highlights of the trip will be a visit with Jules Leger, Governor General, as well as tours of the Parliament Buildings and most of the main tourist attractions of the nation's capital. In addition there will be

dances, parades, and other items of entertainment.

The trip is being sponsored locally by the Civitan Club and nationally by the Canadian Automobiles Association. The trip has been organized here by Chuck Coulson, community service officer with the Midland detachment of the Ontario Provincial Police and Marcel Dorion of the Midland police department.

Handicapped meet

The Huronia Handicapped Association, the re-named former Midland and Area Handicapped Association will be holding a social evening on Thursday, June 5 at the Activity Centre at the Mental Health Centre in Penetanguishene.
