**Making your own Sausage.....**

Making your own country-style sausage is the easiest thing if you own an electric mixer or grinder with a sausage-making attachment. If not, you can still enjoy this delightful (and low cost) home-made meat dish by using a pastry bag with a plain metal attachment for an easy recipe with pork shoulder and spices, drop me a line. I'll be glad to send you a copy of "Simple and Savory Home-made Sausage" free of charge on behalf of IGA.

Mrs. Green is available to talk "shopping" to groups. Call (416) 259-6633 or write—300 The East Mall, Islington, Ontario M9B 6B8.
