

A kiss for the director

Victor Dupuis presents Mrs. Charlebois with some flowers following the presentation of "Sleeping Beauty" last Friday at St. Joseph's Public School. The school's Grade 8 students put on what only could be described as a totally excellent and professional performance. On Monday the French play was presented for a second time because Friday's performance had been sold out causing many people to miss the play. Mrs. Charlebois is credited with being the main driving force behind the play. Mrs. Margaret Brunelle managed the designing of the set and costumes. Staff photo

Le beau au bois dormant

Comment décrire une pièce bien présentée sans se servir de clichés ou d'expressions banales? C'est le cas avec la présentation des élèves de 8ième année de l'école St-Joseph de Penetanguishene. Leur adaptation comique du conte "La belle au bois dormant" est une oeuvre d'imagination dans tout aspect de la mise en scène. Composée par quatre étudiants, (Michel Desrochers, Victor Dupuis, Claudette Marcell et Claudette Belcourt) la pièce offre une dimension d'humour qui est typiquement "la nôtre": les tournures de phrases, les bouffonneries, les gesticulations comiques. Même les costumes, le décor et la création des caractères sont fantastiques: du bouffon aux orbeaux roulés jusqu'au sorcier noir avec la vilaine toux.

C'est depuis Noël que les jeunes s'appliquent à cette présentation. Leur institutrice d'arts dramatiques, Mme Jeannine Charlebois, nous explique qu'au début les élèves hésitaient de s'exprimer en français,

mais leur progrès est remarquable. S'ils sont maintenant plus à l'aise dans leur langue maternelle, c'est parce qu'ils ont enfin la chance, encore plus, le désir de l'apprécier. Félicitations les amis, et continuez vos efforts, car tout le monde les apprécie.

IT TAKES KNOWLEDGE TO TREAT THE SICK

Despite great advances in medical knowledge, there are still some people who depend on old fashioned self-treatments. Some let persons with no drug or medical training advise them what medicines to take.

When door-to-door peddlers or mail order opportunists presume to tell you what to take when you are sick - be wise. In order to treat sickness a diagnosis of the cause is needed. No one but a physician has this knowledge.
