## 3 babies arrive at St. Andrews

Three times last week the stork visited the St. Andrews Hospital maternity department and the score after those visits stands at girls 2, boys 1.

The Ronald MacLennan home on Colborne Street in Midland last week welcomed the happy arrival of a baby girl, on Tuesday July 15.

Then, on Thursday, Mr. and Mrs. David Collins, of Fourth Street in Port McNicoll also welcomed the arrival of a girl.

Keeping up the male side of the arrivals scene was a baby boy born to Mr. and Mrs. Bahadurally Bhimji of Marly Street on July 19.

The newcomers are all very welcome to this area and congratulations go to the proud parents.

## 50 area Witnesses go to meeting

Midland - A series of over one hundred conventions of Jehovah's Witnesses is scheduled this summer in the United States and Canada.

Arthur Allison, spokesman for the Midland Congregation, said 50 delegates will represent this area at sessions set for the Woodbine Race Track in Toronto.

Allison said 15,000 persons are expected for the four-day meeting, July 24-27.

"It is clear," Allison said, "that the earthly system is a close-woven fabric. Whether we like it or not, the nations are all interdependent. Yet this fact has not brought them into cooperation, even though they see the desperate need for this."

"Why is it that the nations cannot work out their problems by cooperation? In particular, because they are divided in so many ways," he said.

"They have different political ideologies, economic systems, social arrangements and religious beliefs. And people, as a result, often have deep-seated prejudices against those who hold views different from their own."

Discussing the convention program, Allison said it will explore all the problems confronting mankind today and systematically review the ultimate solution.

Allison said sessions are scheduled daily from 10 a.m. to 1:30 p.m. and 3 to 5:30 p.m. The program will feature four Bible dramas, lectures and general discussion periods.
