Congratulations Senior Citizens 65 and Older

Effective August 1, we have a new law in Ontario. It will allow almost everyone who is 65 or older and has been an Ontario resident for at least the past 12 months to receive most prescription drugs free.

That means prescriptions written by physician or dentist and filled in Ontario. Only those drugs listed in Ontario's Drug Benefit Formulary are free.

Here is who is eligible: Ontario residents who receive Old Age Security.

If you are 65 or older and are presently receiving an Old Age Security cheque from the federal government, you will automatically receive your new Drug Benefit Eligibility Card before August 1. (And, of course, if you are already getting a drug benefit card, you will continue to get one.) You don't have to do anything about it. Ontario residents not receiving Old Age
