## Coaching development program offered

The sports and fitness division of the Ministry of Culture and Recreation and the Greater Huronia Sports Council present the Level 1—Theory Phase of Ontario's coaching development program.

The program will be offered this fall in Orillia, Barrie, and Stayner and next winter in Alliston, Barrie, and Penetanguishene, thus providing all of Huronia's Coaches with the opportunity of taking the course.

The Ontario coaching development program was developed as a result of an increasing need expressed by the sports governing bodies to have more and better trained coaches. These sport governing bodies are now preparing to offer the skills and drills technical phase of the Program.

The eight-week theory course deals with the general aspects of coaching and is applicable to coaching of any and all sports. The program introduces the coach to such principals as the coaches' role as a leader, growth, development and motivation of the athlete, psychology of coaching, athletic conditioning, sports medicine and

more. The course starts at Orillia Collegiate Institute in Stayner on Thursday, Sept. 18, at North Collegiate in Barrie on Wednesday, October 1, at Stayner Collegiate Institute in Stayner on Tuesday, October 14. All courses begin at 7:15 p.m. Dates for the winter program will be announced at a later date. Sign up now by contacting the Greater Huronia Sports Council, County Administration Centre, Midhurst, Ontario. L0L 1X0 Phone 726-9300 Ext. 212 or direct lines and be prepared for both certification and the challenges of coaching.

## Mosquitos blank Lafontaine 3-0

Hard work by the Midland Mosquitos on Monday night paid off as the host team defeated the visiting Lafontaine Mosquitos 3-0 in Huronia minor lacrosse action. Good goaltending by Paul Duval kept the tough Lafontaine squad off the scoreboard throughout. Midland's goals were scored by Gary Doyle, Paul Cox, and Danny Wright. The league-leading Mosquitos will meet Stayner next week and hope to wrap up the league's top spot.

# The Enumerators are coming!

From August 20 to 23 the Enumerators for the Ontario Provincial Election will be calling on you.

One day this week...Wednesday, Thursday, Friday or Saturday... you're going to be visited by two Ontario Election Enumerators who will identify themselves.

They're just two of the 40,000 people who are compiling the list of qualified voters for the Ontario Election. They'll ask you the name of everyone 18 and over at your address who is a Canadian citizen or British

subject, and has resided in Ontario for at least 12 months preceding Election Day. With this information, they'll put together the Ontario list of voters.

A new list is compiled for each election, so even if you have voted before, you must be included on the new list to vote this time.

Remember, the only way you will be able to vote on Election Day, September 18, is to be on the list of voters. And the best way to get on that list is to be enumerated. It's that easy.

### Keep your Form 103 as proof of enumeration.

The Enumerators will fill out Form 103 with your name and address and give you a copy of it, which you should keep until Election Day, September 18.

Space is provided on the form to show your Electoral District, polling place number and address.

### Check the List.

A short time after enumeration takes place, the list of voters will be posted in your area and at your Returning Officer's address. Check it and make sure that your name and address are correctly listed.

### Proxy Voting

If you are a qualified voter, and enumerated, but will be absent from your polling subdivision and unable to vote at the regular or advance polls because:

- a) you are employed in long distance transportation;
- b) you are a member of the Canadian forces on active duty;
- c) you are away attending an educational institution; or, you are physically handicapped and unable to attend a polling place, you may vote by proxy in your Electoral District.

If you wish to vote by proxy, contact your Returning Officer whose number is on your proof of enumeration, Form 103.
