IDL takes series lead

The Ingenious Devices boys have taken a one game lead in the Coldwater and district men's hockey final championship series following their 7-4 win over Wonder Bread on Friday.

IDL had taken a 4-0 lead by the third minute mark in the second period, on goals by Bobby Widdes with two, Paul Bressette and Karl Todd. Wonder Bread never managed to get untracked in the first period, but with six

minutes remaining in the second period, the underdogs had come within one. Eric Triner netted a single at the 4:03 mark, before Eric Hutchinson slammed home a goal at 6:20. Randy Giles connected for the third goal with 6:01 remaining in the period.

With five minutes to play in the middle frame, Ross Nicholson put one in the net for IDL to give them a two goal lead.

But with just 36 seconds gone in the final period,

Bob John again put Wonder Bread within one goal.

Before Wonder Bread could mount an attack, Karl Todd and Ross Cousineau netted singles, putting the game in the bag for IDL.

According to team spokesmen, the first period of play made the difference in the outcome of the game. Both goalies had their hands full at different times throughout the game, making terrific saves.

New small craft chart

Recreational boaters planning a cruise in Ontario's Georgian Bay area this summer can count on an additional navigational aid.

Just issued by the Canadian Hydrographic Service is Chart 2205 in the Small Craft series, covering the 25-mile coastal route from Killarney at the northern tip of Georgian Bay to Little Current on the north shore of Manitoulin Island. This new chart completes the series covering the north shore of Georgian Bay from Midland to the eastern end of Manitoulin Island.

Charts and Sailing Directions are available from the Canadian Hydrographic Service's Chart Distribution Office, 1675 Russell Road, Ottawa, or local chart dealers.

 Hours 9 a.m. to 6 p.m.
 Monday to Friday (Except Holidays)

Contact celebrated its third birthday on Friday. The staff of Contact was too busy to really celebrate but we did have a birthday cake. We were discussing the past three years and the accomplishments and pitfalls that have been surmounted during that time. We have received over 18,000 telephone calls during our three years of operation. Funding is very difficult for the Contact Centre but our hopes for survival rest with the municipalities we serve and service clubs and the many individuals who support our fund raising projects. Contact is selling tickets on a 50-50 draw. The draw will be made at our Fund Raising Dance on April 24th. Dr. Larry Melnyk and his group are providing the music as a donation. Tickets are \$3.00 each. Plan to come and enjoy an evening of fun.

The Huronia Social Planning Council are presenting "Concerns and Comments," an open line series dealing with important issues affecting us, on Tuesday, March 23rd, 8:30 p.m. on Cable TV Channel 12. The subject for discussion will be "The Future of Glendon College in Huronia."

Parents Without Partners meet every Tuesday at 8 p.m. at Midland Secondary School.

We have families who require transportation to the Mental Health Centre. If you would like to assist in this worthwhile Volunteer Program call Contact.

Good wishes to all our Irish friends on this 17th of March.
 Call Contact, 526-9333 we would love to help you!
