

Gymnast from Regent

Regent School has added one more reason for pride to their list, this being the gymnasts who took part in a display Monday night. Their performances were very

good, showing some real effort and interest in what they were doing. The audience was treated to some exciting tricks and a few thrills to boot.

Y'ND up planned

The Midland YMCA will Y'ND up its regular season program on May 9 from 12:00 noon to 8:00 p.m. with an open-house participation and observation day.

All parents are encouraged to make it a family affair by participating in the child-parent gymnastic hour or possibly the father and son floor hockey game. Participants will be able to choose from a range of events from draws, films, bake goods displays, tournaments, demonstrations, gymnastics, defendo, judo, and karate.

For a small charge, the Y will also be having a bean feed upstairs.

Final plans have not yet been completed for the Y'ND UP, but the public is urged to be there on May 9. If anyone is interested in helping out, please contact Jim Morace at 526-7828.

Young Gladiators Club
At the present time, youth (males) between 12

and 17 are unable to utilize the multi-purpose universal training unit at the YMCA.

But as a result of interest shown, a course of five weeks will be starting on April 6 from 4:00 to 5:00 p.m. for this age group.

On the fifth week, a short test will be held to see if any of the following information was retained: 1) muscles of the body; 2) the areas of the machine; and 4) types of training methods.

The graduate of the course will receive a wallet certificate to enable him to use the machine at any time thereafter.

To continue in the course, boys must be Y members. Each class will consist of 15 boys only.

If sufficient interest is shown, a second class will be held on Wednesdays from 4:00 to 5:00 p.m. beginning April 17.

Phone the Y at 526-7828 for more information.

Season ends for Longhorns

The Midland Ronco Longhorns of the Simcoe County men's basketball league dropped their third game in a row last Wednesday night, giving the best of five cham-

pionship series to the Alliston Marauders. The Midland squad also placed in the runner-up spot in 1975.

The Longhorns dropped the third game 88-70.

The Midland squad earned its berth in the final round by defeating Stayner in a two game total point series. The Longhorns finished the season with a 11 wins, four losses record.

Before the team packs it in for the season, the men will be taking on the Regent Street Mothers at the Midland Secondary School gymnasium on April 23. Game time is 8:00 p.m.

Locals win

Two local boys, students at Georgian College in Barrie, were members of the Georgian College curling team that recently emerged the winner of the Ontario Colleges Athletic Association championship in Kirkland Lake.

Skip Russ Howard, of Yonge Street, and vice-skip Danny Asselin, of Dominion Avenue, and their teammates were undefeated in seven final games to win the honours.

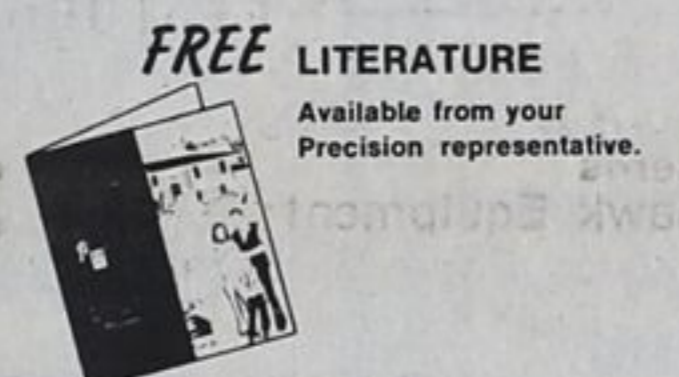

Eight teams, representing four divisions of the 22 member system, competed in the three-day event.

Why a factory-built home by Precision costs you less.

You can save thousands when you buy a Precision-built home. There are many reasons: Precision cuts, fits and assembles home components in one of Canada's most advanced home-building plants, saving material, labour time, weather delays and many other costs.

Precision designs and manufactures for this modern and precise manufacturing system. The best materials are used. The result: a precision-built home, a low, factory-to-you price, prompt delivery and the Precision guarantee of materials and workmanship.

Because of the versatility of the factory-built system, Precision can offer a wide choice of home designs, including one and two-storey homes.

SNAPPER TILLER. ALSO A MULTI-PURPOSE GARDEN TRACTOR.

With easy-to-install accessories, the tough and powerful Snapper tiller can also be used as a garden tractor. It can plow, furrow and cultivate your soil. In a few seconds, the chain-driven tiller becomes a garden tractor that can handle even the toughest garden jobs with ease. Snapper Tillers are well balanced and easy to handle. They're heavy duty, all-steel construction with 3 and 5 horsepower engines, and have fingertip controls located conveniently on the handles.

See us for a free demonstration. You buy a Snapper Tiller for quality, and you get much more.
