There is something about a brand new article, whether it be a garment, or a car, a house or anything else. It seems to make the world look so much rosier and the spirits soar. On Friday of last week I was invited to go up to the new Villa Nursing Home for a preview tour. History is in the making. It is the first time that Midland and area have had a brand new nursing home facility. The building is unique. The front of the building appears to be one level but upon inspection one finds that there is a lower level that faces Little Lake Park. The lower level contains the craft room, dining room, living room, kitchen and laundry rooms, and the heating plant. The kitchen is a dream with the finest of equipment including refrigeration dishwashers, stoves and I even saw a toaster that produces toast on a continuous cycle.

The furniture has been purchased with design and convenience for the patients in mind. The first floor contains private, semi private and public accommodation for 60 patients. All doors to the rooms and bathrooms are able to receive wheel chairs, and easy access to all areas has been the key word for the patients comfort and enjoyment. The patients rooms have been colour coded for easy identification and the rooms all boast large windows. Mr. and Mrs. Alex Jarlette are to be congratulated on the design and choice of location. Hopefully, an auxiliary may now be formed to assist the patients to be able to enjoy their new home. Many extras will be needed in the new facility such as wheel chairs, volunteers to assist with craft programs and outdoor activities.

I wonder how many people have started a few carrot tops or turnip tops in water. It is a sure sign that the planting season is close at hand. As a child this was a fun time, to see who could grow the largest and strongest plants. One doesn't have to spend money to enjoy the bout of spring fever that hits everyone at this time of year.

Dear father of Mary Jane (Mrs. Russell Buttineau) of Port McNicoll, and Barbara Ann of Midland, he was the loving grandfather of Shawn Buttineau. Stepson of Mrs. Hildred Wiles, he was the brother of Mrs. Ada Forsythe of Lindsay and Jack Wiles of Cantoning.

After a brief resting period at the Nicholls Funeral Home, Midland, funeral services were held on Monday, April 5, Spring interment Victoria Harbour Union cemetery. Rev. Robert Little officiated.
