

Y's men prepare Huron Village for opening

The Midland Y's Mens Club has a host of activities underway constantly. At the present time the Y service club is putting the finishing

touches on the organization aspects of their 30th Annual Music Festival. This giant event will be held at the Midland YMCA, from

April 22nd to April 30th. The Stars of the Festival Concert will be held at MSS auditorium on Wednesday May 5th. The Y's Mens Indian Village

Committee is getting the Huron Village in Little Lake Park ready for another season. If you have not been to the village for some years we

suggest that you plan to visit there this spring or summer. Many changes and improvements have been made, including construction of an orientation cante, which makes this tourist attraction an interesting must for all Midland area residents and their guests.

Another major Y's Mens project is the operation and supervision

of the very popular Junior Teen Dances on Friday nights. This dance runs from 8:00 to 10:30 p.m. each Friday and is for boys and girls ages 11-15 only. There is a large contingent of Y's Men and teenagers which make this dance function smoothly, but particular thanks goes to Rick Leclair, Dan Cousineau, Brent Hamelin, Ron French, and Dan Lethbridge

Get a tough performer.

Drive a 1976 Datsun Sportruck.

If you need a tough work and play vehicle that'll save you money on gas, drive the best-selling small pickup in North America. The Datsun Sportrucks, in Regular or 'Long Box' models, are built tough, to carry half ton loads on the roughest roads.

The Datsun Sportruck, with a manual transmission, averaged 30 miles per gallon in combined city/highway driving, in the 1976 U.S. EPA tests.
