

THOMPSON'S ANNUAL SALE ON UPHOLSTERED FURNITURE

We're OVERSTOCKED and UNDERPRICED

Dozens of Styles and a countless number of fabrics.

This is the largest sale of upholstered furniture in our history. Featuring only brand names like Sklar, Meridian, House of Braemore, Serta, and Sealy. Our warehouse is jammed to capacity, so in order to make room, we are forced to sacrifice prices. It's unlikely that these prices will ever be matched again. So take advantage of our emergency situation...
