Canadian authors visit Penetanguishene

Fiction and poetry will be read and discussed here on May 25th when two Canadian authors come to town. David McFadden, noted for his two-part novel "The Great Canadian Sonnet," will be at the library Tuesday at 7:30 p.m. Although his novel has been described as a "notorious underground classic," McFadden is probably best known as a journalist and poet. He has published seven volumes of poetry, the latest of which is "A Knight In Dried Plums," published last year. Sharing the platform with McFadden will be Mrs. Helen Weinzwieg, a short story writer and author of the experimental novel "Passing Ceremony." The two authors will read from their work and discuss their craft. This event is sponsored by the Georgian Bay Regional Library System.

June 1 is Census Day and everyone counts.

The Census of Canada will be taken on Tuesday, June 1, and Canada is counting on you to count yourself in. The questions are easy to answer, and it doesn't take long to fill in the questionnaire.

Why we take the Census.
The facts only you can provide on Census Day are needed to update a statistical picture of your community, and your country. Census information will be used in the coming years for the planning of social services for all Canadian communities.

How we take the Census.
Within the next few days, a census representative will deliver a Census Questionnaire to your home. You can choose to have yours in either English or French.

All you have to do is use a pencil to answer all the questions. If a pre-paid envelope was included in your census package, mail back the completed questionnaire. If you don't get an envelope, simply keep the completed questionnaire, and a census representative will pick it up after Census Day.

Our lips are sealed.
Only Statistics Canada personnel who are sworn to secrecy see your completed questionnaire, and they are subject to severe legal penalties if they disclose your answers to anyone else.

The Census of Agriculture. It's extra special.
If you're a farmer, you're asked to complete both a general and a Census of Agriculture questionnaire. Please fill in both questionnaires, but don't mail them back. They will be picked up by your census representative shortly after Census Day.

It wouldn't be right without you.
Please remember that everyone living in your household must be counted, and that all questions in your Census Questionnaire must be answered. We all have a stake in Canada's future, so please help us make the Census of Canada a complete success.
