

# Wyebridge W.I. holds annual meeting

by Mrs. Verna McClung  
The Wyebridge Women's Institute held its annual meeting in the church hall on April 19. The evening started with a pot luck supper which was attended by 16 members and one visitor. After the opening exercises, it was moved that the Institute pay for the paint used to refinish the tables in the community hall.

Mrs. Fallis gave a report of the Fun Day that was held in Minesing. She also reported the number of cards she had sent to people in the area during the year.

As this was the annual meeting, each convenor gave a summary of her work for the year.

The election of officers was conducted by Mrs. R.O. McClung and Mrs. L. Preston. The following were elected: Past President - Mrs. M. Curry; President - Mrs. L. Dorion; First vice-president - Mrs. W. McConnell; second vice-president - Mrs. Chris Thomson; Secretary - Mrs. S. Withers; District Director - Mrs. M. Curry; Branch Directors - Mrs. R. Luffman and Mrs. E. Curry; Social committee - Mrs. M. Withers act as a nominating committee for next year.

On May 12, the Wyebridge W.I. met in the church hall. There were 23 members present and several visitors. The secretary was pleased to report that we had three new members join us. The highlight of this

meeting was the showing of the dresses made by the 4-H club. Susan Contois gave an illustrated talk on different kinds of fabrics, their care and use. This was followed by a fashion parade with Susan Jones as commentator. Each girl modelled her dress showing the style and fabric best suited to her need. All the girls deserve a great deal of credit for the work they have done. A special vote of thanks must go to their very able leader Mrs. Chris Thomson.

After the parade, the girls presented Mrs. Thomson with a gift in appreciation of her leadership.

Plans were made to celebrate our 75th anniversary in June. A committee was formed to plan the meeting. The hospital fund was added to by Mrs. Withers giving \$12.00 - the proceeds from an evening tea and the profit of \$39.85 from the 4-H luncheon. The meeting closed by singing o'Canada.

# Nine Waubaushene students take historical hike

On May 2, 1976, nine students from grade seven of the Waubaushene Public School went on a hike. The purpose of the hike was to the exact spots where many important events took place in the early years of Canada's history.

The students hiked from St. Ignace on the eighth concession to St. Louis on the fifth concession and on to Ste. Marie Among the Hurons. Some of the students also visited the ruins of the original Martyrs' Shrine which stood from 1905 to 1926 on the seventh concession. One of the highlights of the trip was crossing the old wooden CPR trestle bridge.
