

PSS continues track domination

by Pat Fitzgerald
For the third consecutive year, Penetanguishene Secondary School's boys track and field team defeated Orillia District 451 to 250 points to capture the Zone 2 Championship. The meet took place last Wednesday at Orillia District Collegiate. The PSS girls team placed third overall out of seven schools. Unseasonably cold weather and freezing rain affected the seven schools

drastically actually stopping some competitors from qualifying. This annual event qualified some competitors for the Georgian Bay Championship meet which was held recently.

metres; Ken Tessier in the shot put; Glen Larmand in the pole vault. In the senior division, John Larmand in the long and triple jumps and pole vault event; Ken Marchildon in the hurdles; Greg Quesnelle in the disc and finally Jim Walsh in the steeple chase.

swept their events with the midjet girls team of Jean Roi, Janet Pause, Claudette Belcourt, and Lucy Maurice; Junior boys team of Tim Pauze, Dave Leblanc, Paul Robillard and Lloyd Cascagnette; senior boys team of Andy Lacroix, Brian Bidan, Ken Marchildon and Tim Downie — all qualifying.

This meet signals the end of the season for qualifying competitors who all worked very hard. They are hurdlers Larry Whelan and Rene Parent; 100 metre runner Rob Desroches; 200 metre runner Jim Rankin; 400 metre runners Kevin St. Amant and Paul Lizzote;

High jumpers Ray Paradis, Tony Vanderzwan and Frank Berdan; discus, Jeff Breedin, Alvin Buttineau and Glen Trotter; shot put, Brent Farquhar and Glen Trotter; Javelin, Terry Tessier and Gord Dusome; triple jumpers Ric Dorion; pole vaulter Dave Pauze.

So far this year, PSS has won the Tri Meet, CKMP and Zone 2 track and field meets. Good luck is extended to the area schools competing in upcoming meets.

Recreation Scene

Penetanguishene recreation coordinator

Registration forms are now available at the Municipal Office for this year's Day Camp program. This program will be held at Bayfield Park from June 28 to July 9. The cost is 14.00 per child on a first come first served basis.

The McGuire Park Light Fund is now finalizing its plans to raise money for the installation of the lights. The first project will probably be the Dance-a-thon which a group of interested teenagers who would like to contribute and work towards this fund are operating. This project will be held from 8 p.m. Friday, June 4 to 8 a.m., Saturday June 5. Your help in sponsoring these students would be appreciated.

It looks like the girls softball league in this area is ready to expand. In recent years only a midjet league operated. This year it looks promising for a novice girls (under 12) and an Intermediate ladies league. Anyone interested in playing, coaching or managing the Penetanguishene Intermediate ladies team is asked to call Mrs. Sandy Dubeau at 549-2392.

Other projects for the Light Fund include the California Cuties, Jack and the Jesters (a four-man ball team) and hopefully Bobby Orr and his hockey players from the Orr-Walton sports camp. Your patronage in all these activities would be appreciated.

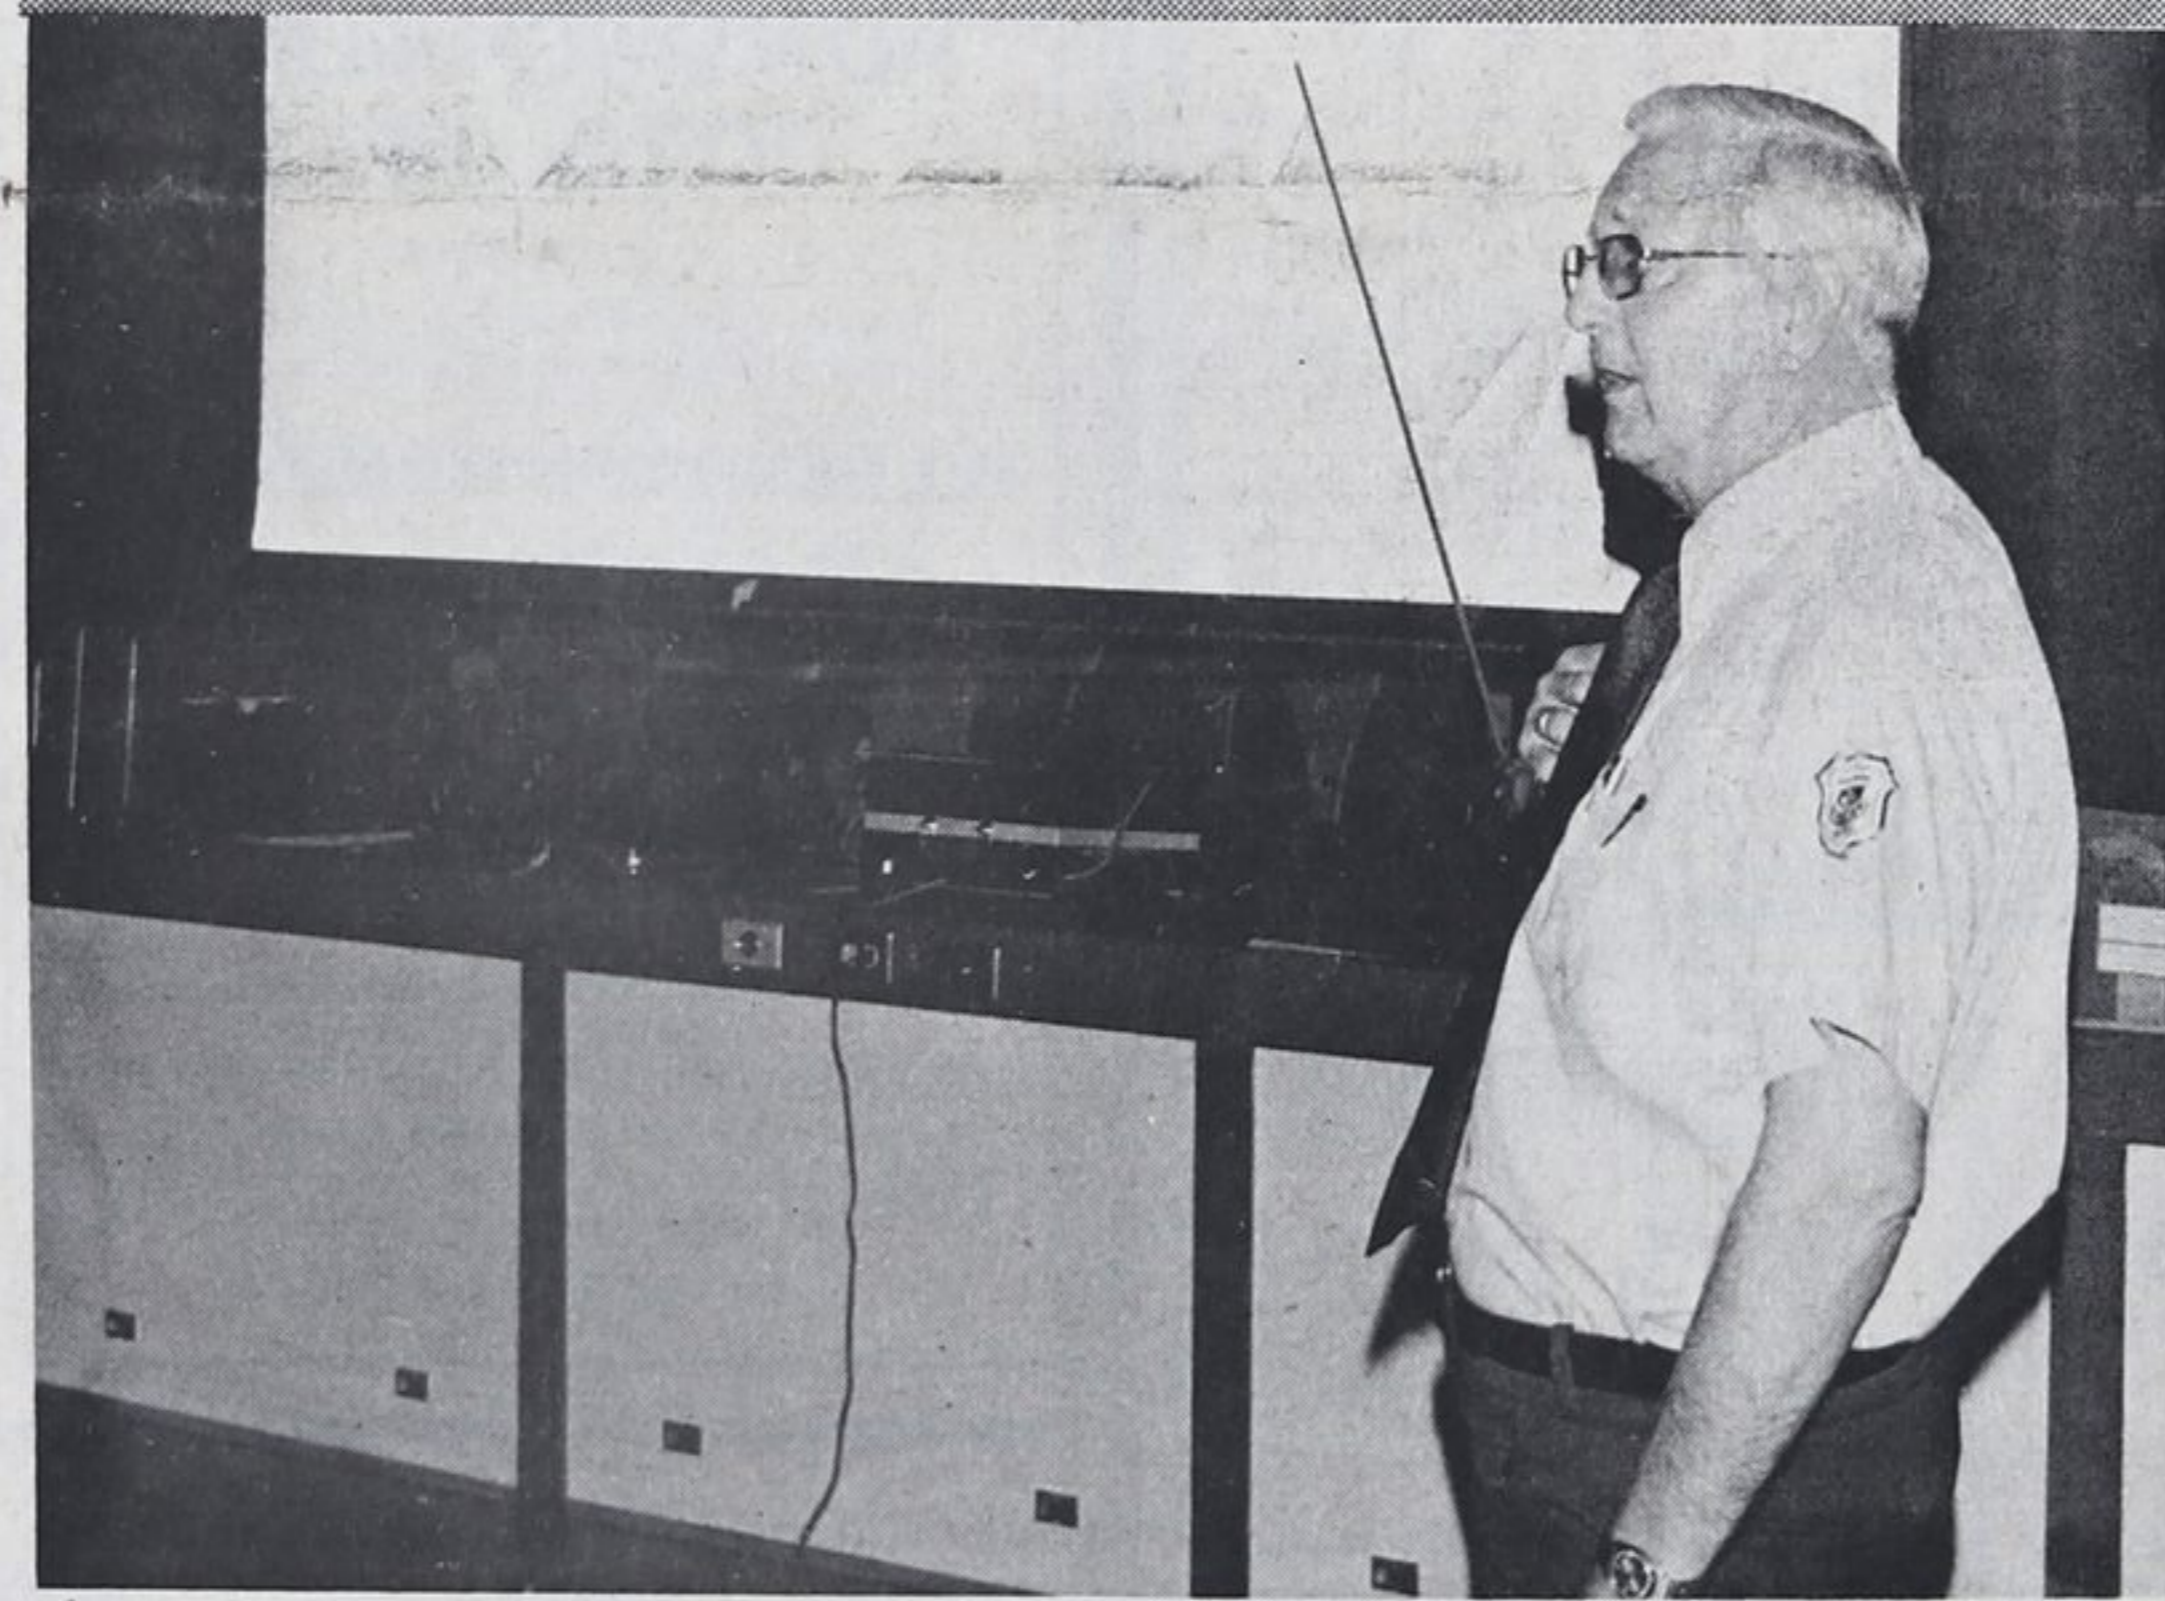

Boys Softball Results

Indians	10
Angels	8
A's	3
Red Sox	2

Home run for Red Sox hit by Don Lacroix.

Softball clinic

Sade Widmeyer, umpire in chief of the Ontario Women's Softball Association, was in Penetanguishene last week to discuss softball rules and regulations with interested umpires, coaches and players. He used a

slide show to demonstrate most of the close calls an umpire might face in the course of a game. The clinic was held at St. Joseph's school.

Sports gets back to the way

Talking sports

by Tom Shields

In the world of sports, things seem to be getting back to normal, or getting back to "the way they were" if I can use a little take off from a movie title. Everyone and his brother all know now that the Montreal Canadiens are back as Stanley Cup winners, something they were for most of the years in the late 50s and again in the early 60s.

But here is another team that is back to normal and in this case I am referring to the New York Yankees. And not only that, they are back at their own home as well, seeing as they vacated Yankee Stadium a few years back so that the landmark in Manhattan could be altered and brought up to date. Where the Yankees used to be on top in the American League, they are now on top of the Eastern division of the American League, and right now they hold a healthy four-game lead over the Baltimore Orioles. This is like the Yankees of old when they had Mantle and Maris and Berra and Whitey Ford and the boys, always number one in the American League.

In the boxing world, Mohammed Ali is once again back as a winner and this time beating

Dunn from England in five rounds, leaving no doubt in anyone's mind that Ali is back in form after his slow fight with Young a few weeks ago. Ali has the martial arts champion to take on in Japan in a month or so, then he will train for his big bout in September against Ken Norton at the place I talked about earlier in this story namely Yankee Stadium. I get the feeling that that will be the final fight for Ali as I think he will retire after the bout, especially if he wins.

But should Norton defeat Ali in that fight, we can watch for a rematch as I think Ali would like to retire as a champion.

Meanwhile, Alan Richardson of England will probably get the name of the "trunkless boxer" tagged on to him. In England on Monday night, Richardson came out to meet his opponent, Ray Ross but something was missing. After his introduction from his corner, Richardson took off his robe only to discover that he had forgotten to put on his trunks. Fortunately he had supporters at the bout, but his best support came from the athletic one that he had on which hid him a bit. He beat his opponent in five rounds, but I would have to wonder if Ray Ross might have been a little weaker from laughing after the introduction.

Still boxing, Oscar Bonavena was shot a killed on the weekend in a brothel near Reno Nevada, but Police are not giving out any details, which in this case might be just as well.

Last laugh is best
Everyone knows that old saying which was thought up by Hiram Hilligosh in Montana in 1893 which states, he who laughs last laughs best.
