

A special treat

Performances by Midland Secondary School Concert Bands, senior as well as junior, were put on as a special treat for grade 6, 7 and 8 students at elementary

schools in Midland. The Thursday afternoon was well appreciated by the students, as well as band members. Staff photo

Local safety patrollers selected for jamboree

The Ontario Motor League announced today that Elmvalle, Innisfil and Midland areas will have a delegation of 146 patrollers and their police and school chaperones participating in the Canadian Automobile Association's 17th School Safety Patrol Jamboree in Ottawa on May 27, 28 and 29.

"The Jamboree is only one of the many methods used to bring public attention to the

outstanding job by these young citizens in voluntarily giving up their time to protect their fellow students on their way to and from school", stated Neil D. Gaskin, Executive Vice President of the OML Toronto Club. "It also gives us an opportunity as representatives of the private motorists to say thank you for a job well done."

While in Ottawa, they will join 8,000 of their compatriots from every

Canadian province for conducted tours of Ottawa and sites of national interest. They will be greeted by the Right Honourable Bora Laskin, P.C., Deputy Governor General and Chief Justice for the Supreme Court of Canada; see a special

circus performance; and dance in the evening to popular rock bands.

The highlight of the Jamboree is a mammoth parade past the Peace Tower on Parliament Hill where the Commissioner of the R.C.M.P. and other dignitaries take the salute. The hour and one-

half parade will feature bands, colour parties, banners and a seemingly endless procession of School Patrollers and their Police chaperones.

MSS girls fare well

Midland Secondary School defeated Orillia District Collegiate and Vocational Institute and Brock High School, in the girls' division of last week's Georgian Bay track meet.

Conditions for the meet were almost unbearable for the athletes. Wind,

rain and icy cold forced many of the students to begin their events and then walk off the field.

St. Theresa's High School in Midland performed far better than in other years and ended with a combined total of about 150 points, which was only 100 points behind the winners.
