It has come to my attention that enough interested men have been found to look after a Bantam Boys Softball team in the municipality. These men are also the ones involved with the house league teams and in my opinion deserve much credit. I am sure these men could use financial support as well as moral support. If anyone is interested in helping out financially or morally please contact Rene Lafreniere at 549-8145. Your help would be appreciated.

Tennis lessons got off the ground this week with instructor Jim Hill. We have approximately 20 people registered for the 3 week - 6 hour course.

Please remember to pick up registration forms for both Day Camp and Swimming Instruction. With many cut backs this year we expect that the few activities we do offer will be well attended. Registration forms are available for all activities at the Municipal Office, for all further information please call 549-7453.

Hopefully by the time you read this column we will have had a tremendously successful Dance-a-thon with all the proceeds going to the flood lights at McGuire Park.

Keep in mind that the California Cuties softball team will be playing at McGuire Park on July 25, against a local team.

PSS midget wins shot put

Lucy Maurice takes gold at all-Ontario

Track and field athletes have brought honours to PSS in 1976

by Pat Fitzgerald
Lucy Maurice, Penetanguishene Secondary School rookie, captured the midget girls all-Ontario shot put championship last weekend at Centennial Park in Etobicoke. The 9.7m throw is the first gold medal PSS has ever received in Ontario track and field championships. Two weeks ago, Maurice made a record throw of 10.3m in the shot at the Georgian Bay District Championships to qualify her for the all-Ontario meet.

Lloyd Cascagnette, one of the favorites to win this year's 100 m. sprint, ran 11.1 seconds in the final, just one tenth of a second behind a boy from Michael Power School.

This school has won the overall championship for the last five years. Cascagnette's silver medal in the sprint added to his bronze medal in the long jump. He also competed in the semi-finals for the 200m.

The junior boys relay team of Tom Pauze, Paul Robillard, Dave Leblanc and Lloyd Cascagnette qualified for the finals and wound up sixth best in Ontario.

Thanks must be extended to Larry Banks and Paul Fawcett, the coaches of the boys track and field team, and also to Coach Kingsley who did a superb job of coaching the girls.

PSS captured the CKMP, Tri-Meet, and Zone 2 championships for the second consecutive year.

Midland Secondary School's Monica Hille captured third place in the senior girls long jump in all-Ontario competition staged in Etobicoke on the weekend. Monica, who jumped 5.20m, missed second place by only one cm. The jump was her personal best ever.

Angela Bernard placed eighth in her heat in the junior girls 1500m. event and did not qualify for the finals. Her time was a personal best.

In the junior boys 400m. event, Ross Buttineau placed third in his heat, but failed to make the top best six times and did not compete in the finals in the event.

Burkevale wins championships

Girls baseball champions

Proudly holding their trophy are the girls baseball team from Burkevale who recently won the area Girls Baseball Championship. In the back row, from left to right are; Michel Paradis, Nadine Robbins, Inge Sch-

wauss, Alison Mason, Karen Downie, Annette Marchildon and Janet Duval. Front row, Laurie Crippin, Helga Deininger, Barb Puddicombe, Cathy Kaus, Susan Ward and Lisa Paradis.

Burkevale School captured the Penetanguishene Boys' Softball League championship this year by defeating St. Joseph's in a best two out of three series. Burkevale won the first two games, with Tim Hook the winning pitcher.

Burkevale girls won the area baseball trophy in a tournament in Elmvalle last week. The winning pitcher was Cathy Klaus. The team won all three games played against Hillsdale, Our Lady of Lourdes and Huronia Centennial.

Power squadron graduation

Boating is a major sport in the area and the Canadian Power Squadrons play an important part. At the graduation dinner for the Penetanguishene Squadron held at the Sandy Bay Inn Saturday, night graduates of piloting as well as seamanship received their

crests and took the pledges. Another highlight of the evening was the 'change of Watch' as Commander Bob Graham became a past commander when he turned over his gavel to Alwx Widmeyer.

Talking sports

Like father like son. That could well describe Bob Dymnt on the mound for the Midland Indians last week when the Indians beat the Beeton Bees 1-0 in South Simcoe Baseball action. Not only did Bob shutout the Bees, but he pitched a no-hitter in the process as only four Beeton players reached first base — three of them on errors and the other on the only walk issued by Dymnt.

When I chatted with Bob Dymnt at the end of the game, he stated that he didn't realize that he had a no-hitter until it was announced at the end of the game. Most of the fans didn't know there was a no-hitter in the process either as we didn't announce it over the radio nor the public address system at the time.

Gord Dymnt was responsible for that. Many times in the past we would put the kiss of death on a pitcher by announcing that he had a no-hitter going only to lose it after we would make it public so I agreed with Gord and "mum was the word".

Bobby Dymnt seems to have developed over the past two years to be the premier pitcher or one of them in the South Simcoe league as he had a good fast ball which was moving around as it came into the batter and he also mixed in an adequate curve ball. The big difference was that Bob didn't pitch strikes all night. When he would get up a strike or two on the batter, he would then nibble on the outside or inside portion to get the batter to go for a bad pitch and most times.

The Beeton batters were swinging at air as he fanned eight in the game. This I think is one of the reasons for his no-hitter...he did not groove any pitches when he had two strikes on the batter. Oddly enough, I have never seen his father Gord Dymnt throw a no-hitter but as they say in the baseball world, I have seen him "chuck" good ball.

Before the game last Sunday I saw Gord doing

some batting practice and I kind of wonder if we might see Dymnt the elder in uniform before the season is over. After all, Gordie Howe has played with his offspring so Gord Dymnt deserves the chance.

Still with the Indians, it is a young team that is out on the field, but they are showing some hustle and knowledge of the game, and this year they should have a good shot at a winning team in both South Simcoe and OBA. In south Simcoe league it appears that the Ivy Leafs are the power as they have been for the past five years. The Midland Indians forfeited a couple of years by bringing in the youth which is now paying off as they have a solid second place team at the moment, losing only one game in five played, and that one was to the league leading Ivy team. But remember, Midland has an all-young team which is going to make them look good for years to come.

The Orillia Majors seem to have lost all the power that kept them on top of the league in the late 60s and early 70s as they have already lost four games this season and they seem to be scratching for a win. Keith Spear must have felt the Majors ball team as he was good at coming up with players "out of the woodwork". Actually he should be with the Montreal Expos instead of with Orillia as he always seemed to produce ball players, and some that he had with Orillia could almost help the Expos right now as Montreal has the worst record in major league ball and they are being dubbed in the sports world as the "hitless Wonders". The Orillia majors were never known for being hitless, even on their worst days.

There was a story just released on Monday that there should be women in sports to give another dimension to the game and they cited Christie Blatchford of the Globe and Mail, as one of the first women to break the barrier, but she isn't one of the first. Marg Alberts here in Midland was often in the press box at the Midland Arena covering Flyers' games in hockey, and also the present editor of the Times, Susie de Stein was covering the sports beat a few years ago at the arena as well. There are a couple of female reporters covering the CFL football games at the CNE and from past experience I can tell you that they do brighten up the scenery, but the language still hasn't changed all that much in the press box.

Mosquitos win 2-1

In North Simcoe soccer action last week, the Penetanguishene mosquitos edged the Midland mosquitos 2-1.

Brian McReynolds scored the first goal.

while Mike Bonnin scored the winning goal with 5 minutes left of play.

Next game will be played in Orillia on Tuesday, June 15.

Dogs win prizes

You didn't have to own a purebred to enter into the second annual dog show held in Penetanguishene recently.

The first category in the show was for the most obedient pooch and top prize went to Prince, owned by Lisa Quesnelle, 10, of St. Joseph's. Second and third place went to dogs belonging to Steve Fournier, 12, and Kathy Sheridan, 10, both of St. Joseph's.

Top trick dog of the show went to Mary Kay Macdonald's dog, Mary Kay is 9 and from Corpus Christi School. Second and third prizes went to Rachel Desroches and Lisa Quesnelle.

The dog with the longest tail was shown by Joe Cameron, 14, of Burkevale School. Runners up were pets owned by Steve Fournier and Gerry Downie.

entries of Mike Ruskin, 11, and Jamie Beauchamp, 14, also of Corpus Christi.

The fifth category was for the best groomed dog and top honours were taken by a dog owned by Andrea Leroux, 12, of Corpus Christi. Second dog in the category was owned by Christine Frandren, 13 while Dorene Beausoleil and Gerry McIntaggart tied for third spot.

Erin Holleran, 6, displayed the best purebred dog in the show. Kim Marchildon, 12, and Lona Zyllich placed second and third. They are all of Corpus Christi school.

The Midland and District Branch of the Ontario Humane Society offered a trophy and \$5 for the best groomed dog in the show. Coles Morcau and his wife also offered a prize of \$10 to the owner of the best groomed dog.
