

# FATHER'S DAY!

the spotlights on Dad!

## Put Dad in a La-Z-Boy Recliner for Father's Day

So you're looking for something different to give Dad for Father's Day.

Why not give him something he can plop his Christmas robe in, put his anniversary slippers on in, read his birthday book in.

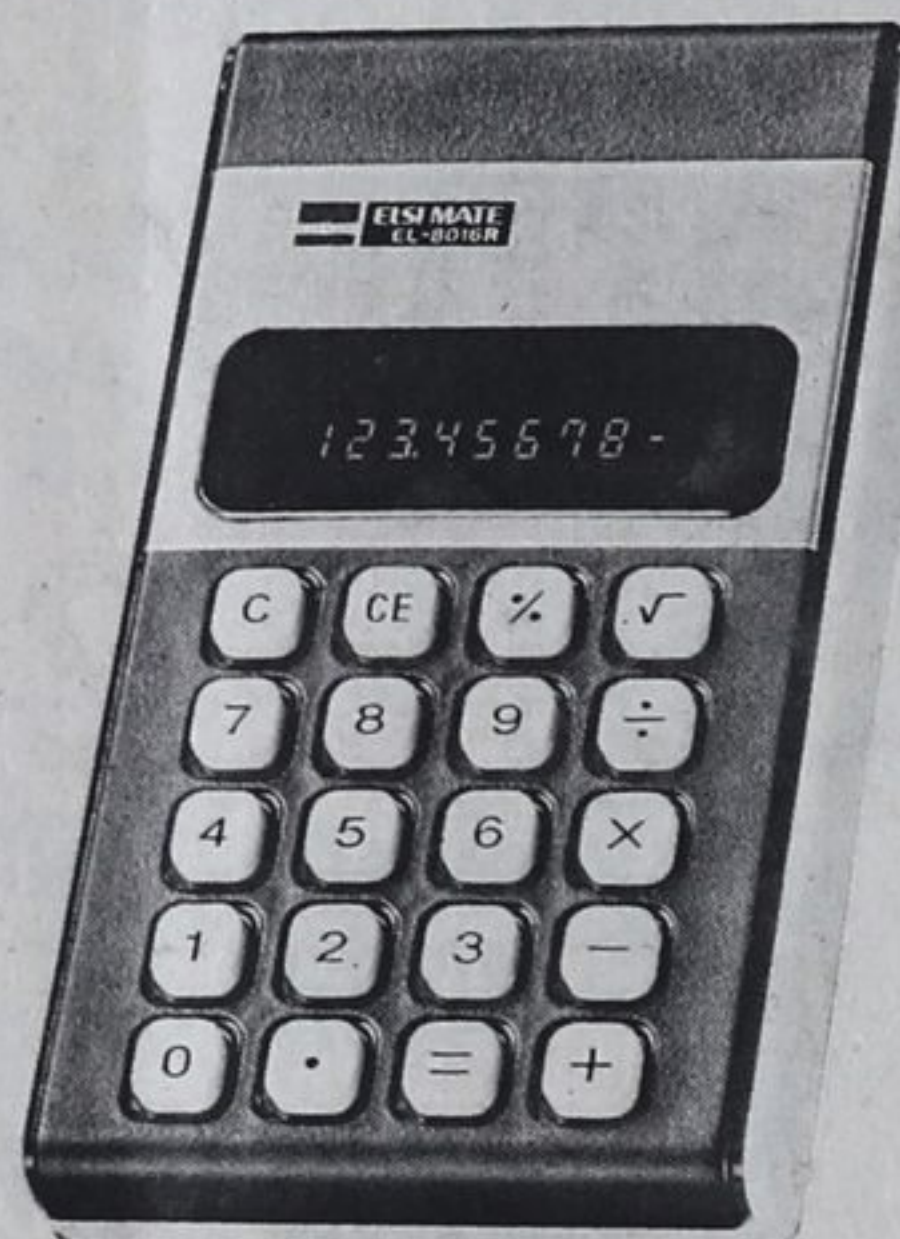

You're sure to find one that gives him the comfort he deserves (and matches your home decor).

Perfect for lounging, reading, watching TV, or reclining in full horizontal position.

## ANOTHER TECHNOLOGICAL BREAKTHROUGH FROM SEIKO: THE FIRST DIGITAL QUARTZ LC CHRONOGRAPH.

It tells the time and the date, and can turn into a stopwatch instantly.

Seiko sold the first quartz wristwatch back in 1969. Today Seiko has one of the world's largest selections of quartz watches. And now, the new Seiko Digital Quartz LC Chronograph. Never has a wristwatch done so much. Like every Seiko Quartz, Seiko makes every part except the battery, to insure flawless quality control and a superb product. That's why Seiko Quartz is changing the world's standard of accuracy. Seiko Quartz.

## FATHER'S DAY SPECIALS...

### REBEL 23+

Courier's new bantamweight economy mobile rig with big performance that rivals anything in its value class. Circuitry is sensitive selective dual conversion superheterodyne type with all 23 channels synthesized. Includes an illuminated S/R/F meter and adjustable squelch.

### REDBALL

Powerful enough to rise above the roar of the road, trim enough to fit in tight quarters and built for a lifetime of CB pleasure — that's Redball. This compact, heavy duty, 23 channel mobile has been especially designed for heavy duty operation. It features a full three watt audio speaker that can run wide open for hours, comes equipped with positive/negative ground operation and can take over-voltages up to 16 VDC. Pushbutton controls include local/distance, noise limiter, noise blanker and P.A./CB. Redball has a large illuminated channel selector, one-at-a-time indicator and S/R/F meter, and uses Courier's new acoustically shaped hand-held microphone.

### Courier Mobile CB Rigs

### CRUISER

Cruiser is Redball's big brother. It has all the Redball features and in addition, an exclusive Switchable Automatic Delta Tuning system. Cruiser's ADT circuit automatically adjusts receive frequencies up to ±2 KHz to deliver peak performance. A special monitoring meter lets you see ADT at work. Push the ADT button and the meter pointer swings to the center of the meter indicating that the receiver is precisely tuned to the incoming signal frequency.

### CLASSIC III

A mobile rig that doubles as an exceptional base station! Built-in AC power supply. Big easy to read S-meter and delta tuning, and an automatic adjustable noise limiter that really works! 100% modulation, transmitter output exceeds 3.2 watts. New slide controls and IC

circuit for space age reliability. All in a handsome chrome cabinet. Complete with all crystals for 23 channel operation. Mounting bracket for car or boat and both AC and DC power cables included at no extra charge. Positive/negative ground.

Any of these models for as little as \$10.00 per month

we also carry a complete line of SHAKESPEAR ANTENNAS
