

Midland dumped

In Huronia lacrosse action last week, Midland dumped Orillia by a score of 5-0.

Kirk Swales of Midland scored three goals while teammates Chris Wright and Dave Ironside each added singles.

Midland novice team was edged out 6-5 by Oro. Ralph Seeman was the top scorer for Midland and John Bald scored two goals. Colin Milligan and Chris Chenier each had one assist.

In Huronia minor lacrosse action last week, the Junior Civitan

peewees were beaten 7-4 by the Alliston peewees. Midland started off in a blaze of fireworks with three unanswered markers in less than five minutes. However, determined running and effective checking allowed the Alliston team to creep up and outshoot the Midland players.

It was a rough, tough game and much slashing and high sticking went unchecked until in the final five minutes the officials decided to crack down and issue penalties to the teams.

Hours 8 a.m. to 6 p.m.

Monday to Friday (Except Holidays)

It has been an exciting week for various volunteer groups. The Y's Mens great car draw has been another resounding success. The organizers have worked very hard on the project and are to be congratulated.

Saturday another interesting happening and even though it rained most of the day the program for the Senior Citizens Day took place. The Villa Nursing Home held its official opening in conjunction with the Senior Citizens Day. While rain continued to fall the biggest part of the day Mr. and Mrs. Jarlette opened their new facilities to Mrs. Gibson and her volunteer workers, we extend our grateful thanks to the Jarlettes and staff of the Villa Nursing Home for taking the planned events indoors.

The boat trip that was planned for the Senior Citizens by the Civitan Club will be held on Saturday, June 26th from 9 a.m. till 12 noon. Listen to CKMP for further news concerning this event.

Contact will continue to deliver Meals-on-Wheels throughout the summer months and drivers and runners are needed. If you are able to help we would appreciate receiving a call at 526-9333.

Marygrove Camp needs a piano to either buy, rent or as a donation. Please call Mrs. Ruth Stovin at 549-8951 if you are able to assist them.

This is the time of year that I call "delicious". The strawberries are ready and the smell of strawberry jam being made is one of the most mouth watering smells I know of. We are in "strawberry country" and there is little excuse for not having strawberries when you may either buy them or go out and pick them yourself and pay less.

The kids will soon be home from school for the summer and be looking for things to do and I would just like to remind all you Moms that the Y have a summer program at Little Lake. Call the Y for further information.

Our libraries offer exciting books for young people and these aids are excellent. Use them when you would like your child to rest out of the heat of the day. It is a great opportunity to encourage the young reader to use these fine resources.

Contact's hours will remain the same throughout the summer. They are 9:00 a.m. to 6:00 p.m. daily except Saturday and Sunday. Our Centre is here to help you find the help that you require. Our telephone number is 526-9333.

ATTENTION: WELL, RIVER AND LAKE WATER USERS...

YOUR DRINKING WATER MAY BE UNSAFE.

In Ontario we have taken pure, clean water for granted all our lives. So it's a real shock to realize that we just can't trust untreated drinking water anymore.

With all our lovely lakes and bright, sparkling rivers and deep, cool wells we have to be concerned about invisible little disease-causing bacteria that could be in any untreated water in Ontario.

How can you protect yourself and your family? Can you be sure your drinking water is 100% safe? Yes—with a Super Sterasyl water purifier.

THE SUPER STERASYL WATER PURIFIER GIVES CLEAN, PURE, SAFE DRINKING WATER FOR UNDER \$70.

- Silver-impregnated ceramic cartridge traps and kills bacteria and filters other microscopic particles.
- Activated carbon removes most bad tastes and odours.
- Simple do-it-yourself installation—no pipe-cutting or soldering.
