

Coldwater athletes participate

by E. Lorraine Orr
The weekend of August 5th was a very busy one for three Coldwater athletes, who were involved in the CANUSA games in Orillia. Doug Finan, age 10, of

George Street, competed in Ball throw and 200 metre dash in which he placed first in his heat. He was a member of a relay team which placed third. Doug was a host to Gregg Kliff of Auburn, New

York. Mario Galang of Bush Street, was a member of the Boys Basketball team. Mario's guest for the weekend Brian Passerelloz, was also a basketball player.

Meredith Orr of Main Street, South, was a member of the Junior High School Volleyball team. This team defeated the Auburn girls three games straight in a five game match. Meredith billeted two teenage Auburn girls, Missy Gentile and Noelle Navarro. The girls were very involved in many sports. They competed in basketball, volleyball, and baseball.

The bus-loads of Auburn competitors began arriving at the Curling Club in Orillia, Friday afternoon, where the Coldwater athletes met them. In the evening they marched in a parade

from Orillia District High School, along West St. and Mississauga to Centennial Park for the Official Opening and lighting of the torch for the 1st Annual CANUSA games. Many of the people attended the Lions' Village Fair after the ceremonies.

Saturday morning began a full day of sports events with the athletes commuting between the three Orillia High schools and approximately six sports fields. The Saturday evening entertainment and a fireworks display were held at Couchiching Park.

On Sunday afternoon the closing ceremonies brought to an end a very exciting and friend making weekend.

The CANUSA games of 1977 will be held in Auburn, New York on the July 1st weekend.

A cup of 'cold water'
As antique car passengers and drivers passed through Coldwater on their way to Midland last week, they were presented with a cup of "Coldwater" from Michael Miller who is standing on the left.

Reliability tour visits Coldwater

by E. Lorraine Orr
A cup of "real Coldwater" as offered to each of the participants in the

4th Reliability Tour of the Antique Automobile Club of America as they passed through the Village of Coldwater on a tour of the area last week. Michael and Donna Miller, new residents of Coldwater were responsible for this unique idea. Mr. Miller is

a friend of John Smith organizer of the tour. Michael approached the Council with the suggestion and the plans were on their way. Drinking mugs were purchased from McConachie Gifts in Coldwater and Ken Jennings of the Coldwater

Press provided transfers to be placed on each mug, saying "The Village of Coldwater welcomes the 1976 National Reliability Tour. Here's a cup of real Coldwater."
Councillor Ken Athron along with Michael and Donna greeted the tourists as they approached the bridge on Sturgeon Bay Road at Main Street.

Fifty-four antique cars were participating in the tour with some coming from as far away as Florida and California. Gordon E. Smith, East Simcoe M.P.P. was driving one of two steam cars in the parade while his sons John was driving a 1910 model Tudhope car.

Grant
A grant of \$44,600 has been awarded to the Nottawasaga Valley Conservation Authority, Natural Resources minister Leo Bernier announced recently.
Major improvements along the Tottenham Dam are planned, which will include rebuilding of the race structure, anti-seepage walls in the old mill race walls and a stop-log mechanism to control the water level in the pond.
The estimated cost of the project is \$59,020.
