

Rollerskating times extended at Coldwater

by E. Lorraine Orr
The pastime of Roller Skating has been so well received in Coldwater that the Community Centre Board has extended the time to include

Sunday evening as well, and has rented an additional twenty-five pairs of skates. Tuesday and Thursday evenings are also available, 7:30 to 9:30. Admittance is .75

cents and skates may be rented at the arena. The arena board is now accepting applications for two men to caretake the building and maintain the ice surface. Tenders are

also being accepted for the operation of the food booth. The Village Council has arranged for the arena to be inspected by the village engineer every

year, who will then advise of needed repairs, and a five year forecast of possible repairs to help maintain a safe building. At present the engineer has suggested extra roof bracing be installed, and repairs to one end wall. This is to be done as soon as the Department of

Labour reviews the engineer's reports. New lighting will be installed in the arena by village hydro man, Art Hamilton. The new lights are mercury vapor with teflon lens. It is hoped these lights will be operating before Fair time October 1.

eight-week summer camp for 137 children from ages 5 to 12 years. Mrs. Lolk was ably assisted by Mrs. Bunny Snider, Victoria Harbour, as treasurer; Carol Graham, secretary, and committee members Gerry Hook and Robert Widdes, and Tay councillors David Moore and Charles Rawson.

Tay conducts kids program

by E. Lorraine Orr
"Adventure 76" is the name of a successful summer program conducted by interested persons in Tay Township for the children of the area.

The recreation committee, headed by chairwoman Mrs. June Lolk, organized a daily,

The activities alternated each day between Waubaushe, Old Fort Playground, Waverley and Vasey, and were held in the Church and Community halls or parks.

The children were taught crafts and games, camp songs, and enjoyed hikes around the Township. They were visited by members of the Fire and Police departments and were able to view the inside of an ambulance.

Four teenage girls, namely Wendy McCullough and Jane Robinson of Midland; Cheryl Duffy, of Waverley, and Kathy Snider of Victoria Harbour, were hired by Tay council as leaders for two overnight camp-outs at a park on the 8th concession owned by Knox Presbyterian Church, Midland. These girls had attended a four-day leadership training course in Barrie. They all had experience in day camp organizing and were proficient in music, art, crafts and sports, and St. John's Ambulance duties.

The closing ceremonies were held at Vasey Community Park in the form of a sing-song and cornroast with the parents as invited guests.

This project was financed by a \$2500 grant from the Ministry of Culture and Recreation as well as donations from local organizations. The cost to the parents was \$2 per child, or \$6 per family.

The recreation committee is pleased with the results of this venture and appreciate the letters from parents commending the project. They plan to continue the program next summer.

Think Quick. You've only got until September 10th.

If you've been toying with some ideas for the Local Initiatives Program, your time is just about up. All applications for L.I.P. projects must be in our hands no later than September 10th, 1976. Your idea should be original and innovative and create useful jobs where there were no jobs before. It must also employ people registered at a Canada Manpower Centre. Your project can get underway anytime between November 1st this year and January 31st, 1977. So come on, do a little quick thinking. Who knows, the ideas you have this summer may be working for you this winter.
