IN MEMORIAM

Tribute to Ross E. Beacock

Within our hearts there dwells a place. Right next to love, faith, hope and grace. Where peace and blessings are entwined. And comfort for our loss you'll find. For there, easing the pain of our grieved loss. Are nestled all our memories of Ross.

All the words that are known to man. Cannot express what our hearts can. For present there is love and wonder. And feelings undefinable to ponder.

As overflowing though our hearts may be. Take time to share some memories with me.

A young man full of love and caring. Radiating with laughter, fun and sharing. Who loved to tease and plan some fun.

To have a good time when work was done. Who enjoyed to dance and hum a tune. Or go for a swim in the light of the moon.

A young man working hard each day. Forming friendships along his way. Bashful in nature and loving in spirit.

With helping hands and joking wit. Showing concern for all of nature's own. For all creatures flourishing and creatures grown.

A young man with a compassionate heart. Where friends and family were a part. Who enjoyed a hug and a smile.

And happy faces around all the while. To remember this and try to see. The way that Ross wants us to be.

God in his love forgets us not. And aims to soothe the aching spot. By gifting us with memory.

With tears and smiles as the key. As when the loss seems hard to bear. We've only to look in our hearts for he is there.

Pam. Pam and Vernon are very grateful for the kind letters and the help received following Ross Beacock's death.

I would like to express my sincere thanks for flowers, cards and refreshments received from all neighbors and friends during our recent bereavement. Special thanks to the ladies of St. Anne Sodality, who participated in the prayers and service; also Dr. Gauthier, Father Dignard, nurses at Penetang General Hospital and Beausoleil Funeral Home.
