

**Security tonight's topic at sales seminar**

Mr. R. Coghil from the Bank of Montreal security division and OPI community relations officer Chuck Coulson will be guest speakers at the Sales Training Seminar, sponsored by the Midland Chamber of Commerce, tonight.

Tonight's session, the second in a series, will focus on store security and will feature two presentations one on counterfeit money detection, bad checks, and fraudulent credit card use, and the other on shoplifting detection, prevention and apprehension.

The seminar will begin at 7:00 p.m. in the upstairs meeting room at the Midland YMCA on Hugel Avenue.

Second prize, an oilpainting, was won by Mrs. Alida Verriere of Penetang and a door prize by Mrs. Mae Schram of Midland. A woolen set was won by Mrs. Freda McIntaggart of Penetang.

**Cranberry project**

A project of interest at this time of year has been in progress all summer, conducted by the Mohawk Indians of the Gibson Reserve, situated just north of Port Severn on Highway 69. At this commercial cranberry bog they hope to produce 150,000 to 200,000 pounds of prime cranberries this fall.

This undertaking was started in 1969 with government financial assistance and a lot of determination by the people of the reserve under the direction of Tom (Bud) Rennie, whose father is a full-blooded Mohawk Indian. The primary objective was to provide jobs for the Reserve residents, cranberry vines were imported from Wisconsin and planted, fertilized, weeded and irrigated for four years until the first crop was harvested. This year's crop will be the biggest yet. Besides the three year-round workers on the project, some 10 or 12 Gibson Indians will work at harvesting and processing it.

The Gibson people like to sell small packages of cranberries to visitors to the plantation. To reach the plant take Highway 69 to about three-quarters of a mile north of the Muskoka River and look for the cranberry growers sign.
