

**Going up for the shot**

A Penetanguishene Secondary School player takes a shot during Saturday's senior girls invitational basketball tournament. PSS went all the way to the finals where they were defeated by Barrie Central 51-22.

## Flyers win fight, lose game

by Chris Knowles  
A chippy brand of hockey was featured at Penetanguishene arena Friday night as the Flyers battled the Owen Sound Steelers. Just too many cheap and needless penalties were taken by the Flyers who went down to defeat 6-3.

It was Dejavu for anyone who witnessed the Brian Glennie-Dan Maloney incident in the NHL last season. Flyers Cliff Jordan was the aggressor and Bill Slumski the victim as the two re-enacted the disgusting show that had Attorney-General Roy McMurtry fuming and charging.

In this case Jordan says he was speared by Slumski and only punched back in retaliation. Slumski went down but the Flyer skater continued to pummell him with punches even though Slumski's head was buried between his knees. The score was 4-3 for Owen Sound at that point in the game but a five minute penalty to Jordan and a two minute charge against Slumski meant the Flyers played shorthanded for most of the rest of the game. The Steelers responded with two goals to put the match out of reach.

Both teams played an uninspiring first period

although Joe Gibson in the Flyers net was pressed on a number of occasions in keeping the game scoreless. Flyers managed only five shots in the opening period on Steeler's goalie Paul McLaren.

Gibson was beaten twice to the same spot on his glove side in less than a minute in the second period. The goals by Russ Smith and Kent Pollard came after the Flyers' Larry Fallon had given the home team a 1-0 lead.

Flyers should have tied the game up on a two on one break by Dan Rowat and John St. Amant but a last second stick check by

the lone Steeler defencemen nullified the rush. Scott McKelvie gave Owen Sound a 3-1 lead early in the third, the result of a poor pass by Paul Robillard that was intercepted by Bill Slumski who passed to McKelvie for the score. Robillard got it back on a beautiful shot from outside of the faceoff circle in the Steelers zone. Goaltender McLaren never saw it.

Neil Parker for the Flyers and Russ Smith and Bill Slumski with a pair, rounded out the scoring in the final period. Slumski's final marker with 36 seconds remaining made the Flyer netminder look bad as he had the initial weak shot but it somehow lazily rolled over his shoulder and into the net.

The linesmen admitted that it was nearly impossible to judge whether a play was offside because the lines on the ice surface were almost invisible. They must have done a good job because the usually unsympathetic crowd rarely got on their back about a questionable call.

**Dropping back for the pass**

St. Joseph's quarterback Terry Pilon drops back for the pass, as Corpus Christi defenders count the steamboats in Monday's final game in the Penetanguishene Elementary Schools touch football championships. St. Joseph's won the game after two periods of overtime to take the best two out of three series two games to one.

Staff photo

## St. Joseph's wins series

St. Joseph's School staged a come from behind victory in the best two out of three final against Corpus Christi in the Elementary Schools Touch Football League.

St. Joseph's lost the first game, 6-1, but took the last two games 18-12 and 12-6. Both of those games went into overtime.

In the second game, held last Thursday, they

scored in the third period of overtime, and in the final game, held Monday, it took two periods of overtime to settle the championship.

The final scoring play in the last game occurred on a kick by Brian Robitaille of the St. Joseph's team. The ball was caught behind the Corpus Christi goal line, and an attempt was made

by the Corpus Christi team to punt the ball back out of the end zone. David Robillard, of St. Joseph's caught the ball just a few yards in front of the Corpus Christi player, but still in the end zone, for the score.

The other St. Joseph's touchdown was scored by Raymond Forget, on a pass from quarterback Terry Pilon

## ... and still another

Midland-Penetanguishene Flyers coach Larry Banks has found some humour in his team's plight this season.

"It's funny now," said coach Banks after Monday night's 8-1 loss at the hands of Oak Ridges Dynes. "Again we played two of the best periods of any game this season but weren't able to win. In seven games we haven't

put together three straight periods of good hockey."

With a couple of breaks earlier in the game Flyers could have defeated the league leading Dynes.

"We played sound positional hockey," commented Banks, "and had two on one breaks all night long."

Oak Ridges led 3-1

going into the final 20 minutes. Dave McLung getting the lone Flyer marker. A new face entered the Flyer's net late in the third and coach Banks says goalie Rob D'Annabile will receive more work in future games. He also promises to make other changes if Flyers don't produce some points in this weekends back to back encounter with Orillia.

## P.S.S. girls take second in invitational tournament

The senior girls' basketball team from Penetanguishene Secondary School was the runner-up in the Fourth Annual Senior Girls Invitational Basketball Tournament, held at P.S.S. Saturday.

They went down to

## P.S.S. loses one to Orillia team

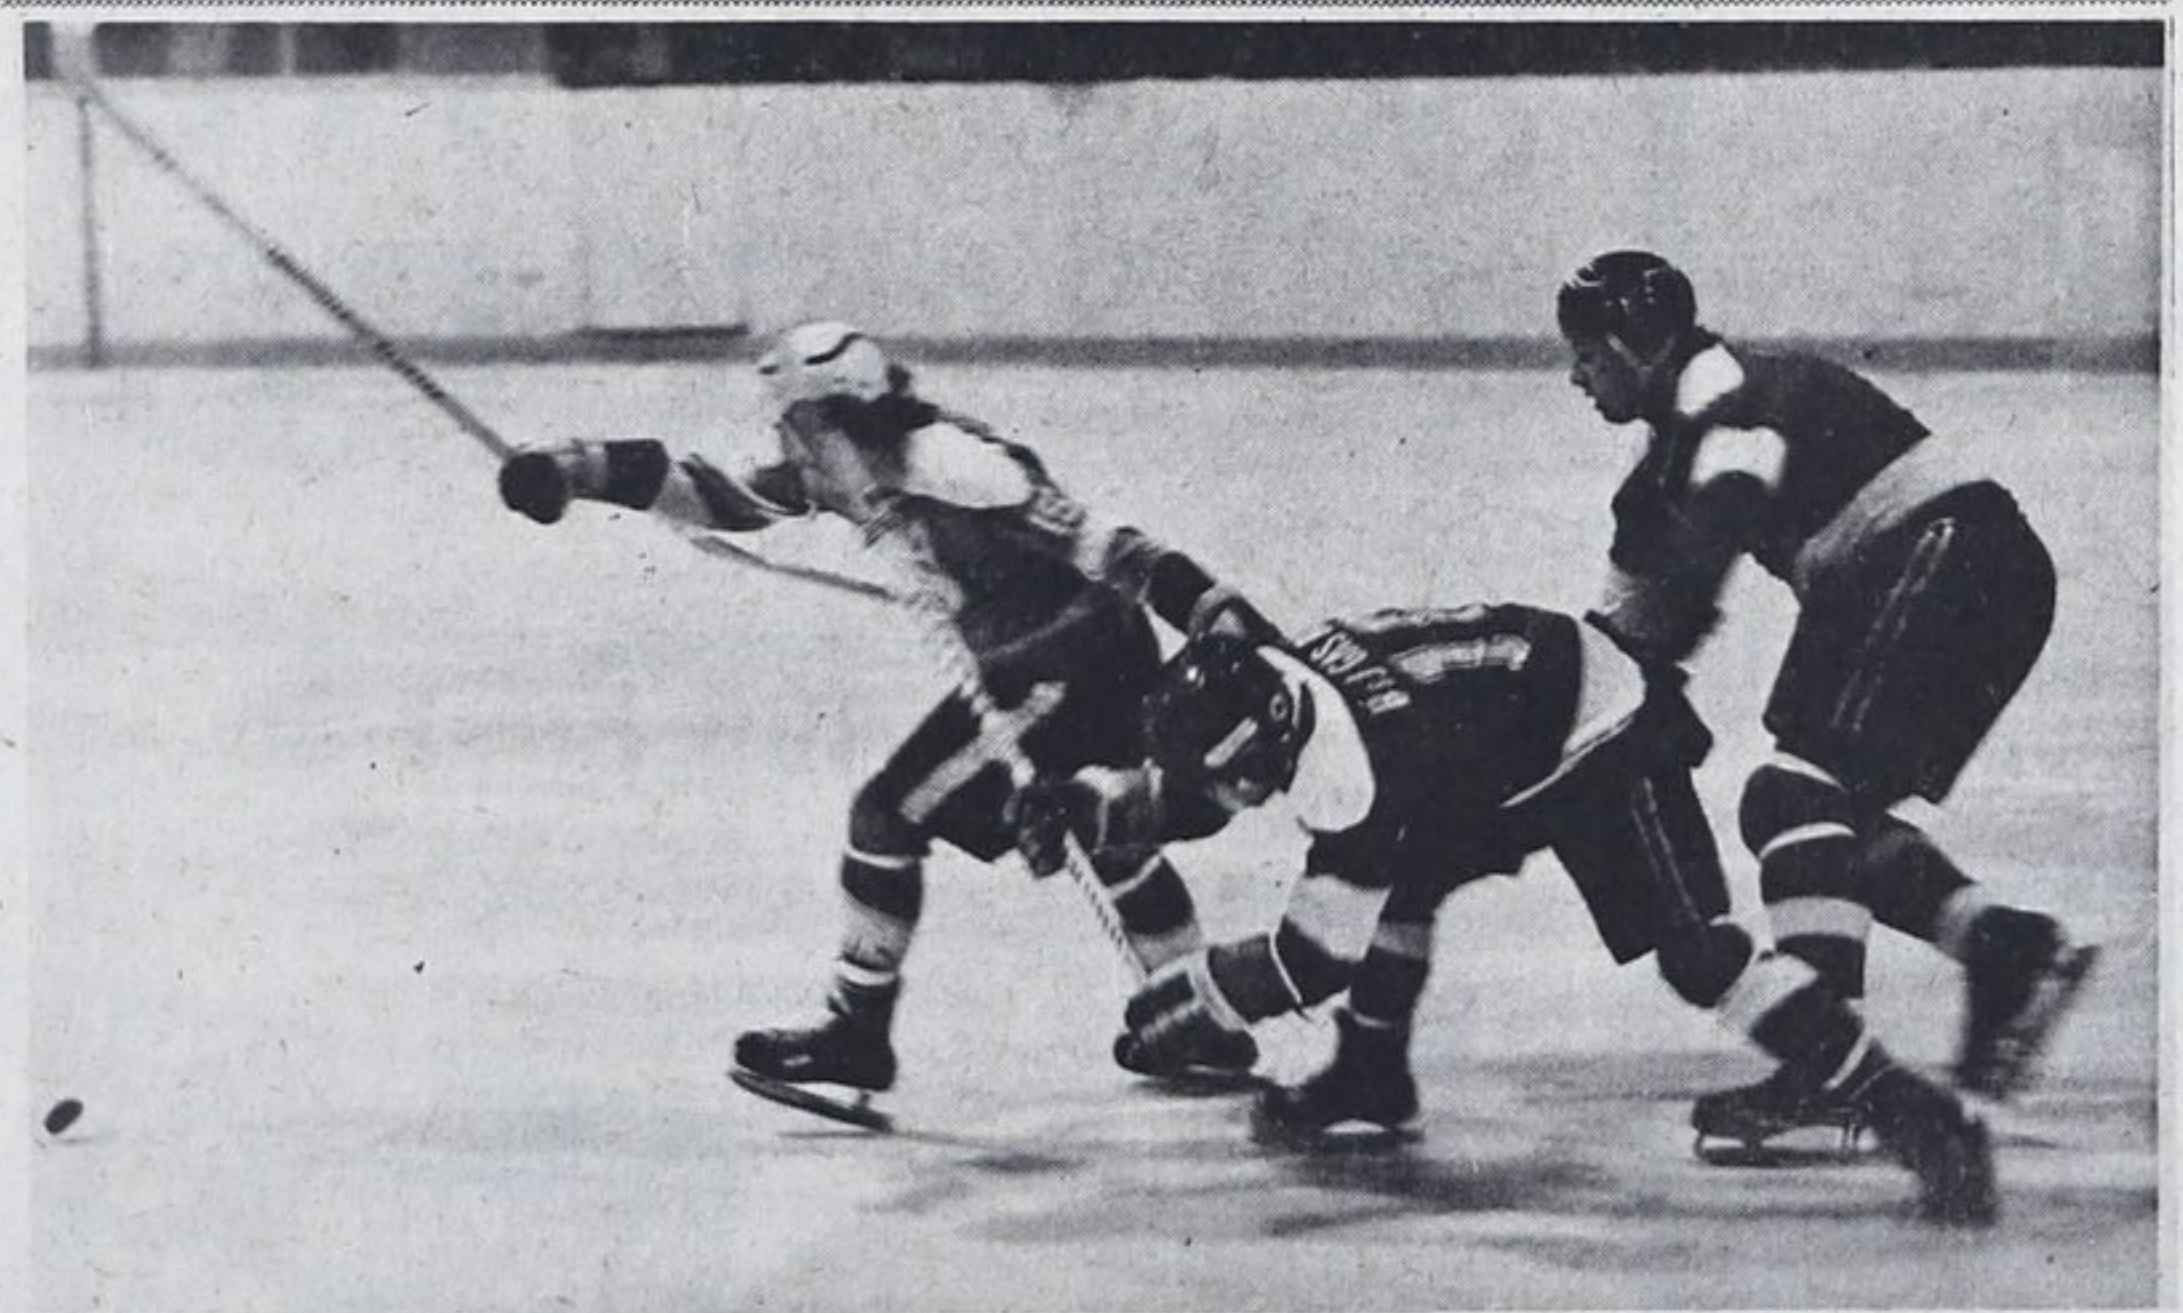

The Penetanguishene Secondary School football team dropped a close decision last Tuesday afternoon to the Orillia District Collegiate and Vocational Institute.

The game was closer than the final 22-15 score would indicate. Assistant coach Larry Banks said last week he thought the P.S.S. squad outplayed the Orillia team, throughout most of the game, and deserved to win.

He said the final score could well have been different, because with 33 seconds to go in the game, quarterback John Larmant carried the ball nine yards, two feet, nine inches necessary for the

## Dumps J. and B. Gas Bar

## Ken's Esso wins another

The Ken's Esso team tightened its grip on first place in the Penetanguishene Recreational Hockey League with a victory over B. and J. Gas Bar Sunday afternoon.

The 4-2 victory saw Paul Loughran take the lead in the scoring race, with one goal and one assist to give him a total of five goals and five assists, or 10 points for the season.

Ken's Esso took the lead in the first period with two goals, one by Ricky Desjardins, unassisted, and one by Loughran, assisted by Don Desjardins.

Billy McIntosh scored for B. and J. in the first period, assisted by Mike Puddicombe and Ted Devillers.

Early in the second period, Jim Wright put Ken's Esso ahead 3-1, when he flipped the puck from the blue line over the goalie's shoulder. Peter Arbour scored the final goal for Ken's Esso at the 3:21 mark of the second period, assisted by Don Maurice and Paul Loughran.

Billy McIntosh got the other B. and J. goal with only 56 seconds left in the game, assisted by Brian Merkle.

In the other Recreational League game played Sunday afternoon, Ken Pople led Emery's Electric to a 5-3 victory over Hindson Marine.

Hindson Marine took a 3-0 lead in the first period on goals by Roger

Dusome, from Dave Zwicker, Larry Marchand, also from Zwicker, and Larry Leroux, assisted by Paul Dion.

Ken Pople practically single handedly tied the score with an unassisted goal in the second period, and two more goals in the first half of the third. He was assisted by Dennis Lemieux and Rick Duval on those two goals.

Dennis Lemieux scored the winner at the 3:51 mark of the third, assisted by Pople and Bill Kling put the insurance goal into an empty net with 17 seconds left in the game.

The weekend's action leaves Ken's Esso in first place with three wins, no losses. Emery's Electric

is in second with one win, one loss and one tie. B. and J. is third with one loss and two ties, while Hindson Marine is in last with two losses and one tie.

Players from Ken's Esso hold down the first three spots in the scoring race, with Peter Arbour and Don Maurice following Loughran, with eight and six points respectively. Roger Dusome of Hindson Marine, and Ken Pople of Emery's Electric are tied for the fourth spot with five points apiece.

Emery's Electric takes on B. and J. at 9:30 Sunday morning, with Ken's Esso playing Hindson Marine immediately following the first game.

## Recreation Scene

by Ron Marchildon  
Penetanguishene recreation coordinator

Hopefully by the time you read this, the Little N.H.L. will have had a very successful skate-athon. My only hope is that all people who pledge money pay it to the children and also that parents who have children collecting the money make sure that they turn it all in. This is the biggest single problem which they face, that of collecting all the money. We certainly wish them luck.

Speaking of Minor Hockey their season starts this coming Saturday and Sunday when the All-Star teams start regular league play. It would certainly be nice to see a good turnout of parents, the kind of parents who go to the games to enjoy them and not do the other things which parents of minor hockey children have become noted for. Lets have a good year and let the coaches and managers do their job and also allow the referees to do their job to the best of their ability. I'm sure you will enjoy the games, and I'm sure your children will enjoy them as well.

Tuesday, October 26, a meeting will be held in the arena lounge to finalize the Georgian Bay Ladies Softball League. Hopefully to elect an executive for the 1977 season. With this in mind I will be calling a general meeting in the near future to try and set an executive for 1977 for the Penetanguishene Association. Please keep in mind that to work on an executive does not take up much time if a large number of people are available to help out.
