## Something special about brass

by Shirley Whittington  
There is something special about a concert brass group. As well as a particularly bright and pleasing brand of music, such groups inevitably offer their audiences large measures of delightful good humour.

instrumentalists and they appear regularly on radio and television in Britain and Europe. They are presently touring Southern Ontario, navigating a rented station wagon through our early snow. If

receptions continue to be as warm and enthusiastic as the one they received in Barrie Friday night, Canada's weather shouldn't bother them a bit.

## MSS triumphs

The senior girls basketball team from Midland Secondary School scored key baskets when under pressure, defeating Park St. from Orillia 35-31.

A late charge by the Orillia girls brought them within two points with less than three minutes remaining in the game. Midland rallied back with good checking and sharp passing and held on for the victory.

Doreen Rowmanowksi was top shooter for MSS with 15 points. Marg Steen had 17 for Orillia.

Midland juniors had a little more breathing space in their game as they downed Orillia 32-23. The midgets from Orillia prevented a three game sweep for MSS by winning their match 34-24.
