# Topic was drying flowers

by E. Lorraine Orr  
The Art of Drying Weeds and Flowers was the topic chosen by Mrs. Doris Scott of Midland when she spoke in a large audience in the Riverside Centre in Coldwater at the regular meeting of the Coldwater Horticultural Society last Thursday evening.

The president, Mrs. Jean Robinson, opened the meeting and welcomed everyone before asking the secretary, Mrs. Eva Lovelace, and treasurer, Mrs. Cora Lane, for their reports.

Mrs. Scott, who is director of the Midland Horticultural Society, District 16, showed a wide selection of weeds and flowers she had collected from the roadside and gardens in the area. She explained the process she used to dry these. She also had pictures and ornaments featuring arrangements made from these objects of nature. These articles were displayed for viewing after the meeting and were available for sale.

Mr. Paul Barden of Coldwater, an amateur horticulturist, showed the audience a very delicate orchid he had grown in his home.
