

Hospital auxilliary makes plans for gift shop at new Huronia District

by Marion Sleep
It was very close to "standing room only" in the Board Room of Huronia District Hospital, when the Womens' Auxiliary held its first meeting there Oct. 25.

the new surroundings. New members included Marg Douglas, Margaret Taylor, Marnie Moffatt, Marci Struthers, Doris Henley, Gladys McCutcheon and Barbara D'Aoust. Penetanguishene.

attending the OHA-HAA convention at the Royal York, Toronto. Following various committee reports, a lengthy discussion was held on the many aspects of the new gift shop. Although each of the auxiliary's four yearly projects requires considerable work, the

continuous, daily operation of the shop presents a real challenge to all auxiliaries. It was obvious by the comprehensive report given by gift shop convener Mrs. D. McKee that she and her committee, Mrs. Luke and Mrs. D. McPherson had worked many hours to reach

important decision on administration, buying and the operation of the shop. Three specialized buyers, an assistant convener and treasurer and a shift convener are now required, stated Mrs. McKee. Mrs. Jessie Brown volunteered to act as craft convener.

Because it is preferable to keep the shop open six days a week, including mornings, Mrs. McKee figured that 32 volunteers per week will be needed. This number does not include the cart, the administration for which will now be combined under the Gift Shop Committee. Attractive

gold and brown smocks for auxiliary volunteers were displayed, as well as hand-made articles for the shop donated by Mrs. Brown and Mrs. C.B. Sleep.

Volunteers convener Mrs. D. Moore thanked all who attended the recent capping ceremony. Eleven girls, all "very keen workers" each earned 100 hour pins during the summer. For the first time certificates of appreciation were presented to the girls. Mrs. Moore also displayed one of the new uniforms for the Volunteers.

Dance convener Mrs. D. Simpson reminded members that tickets for the fall ball would be on sale at Edwards' store for two days only, the dance theme is "a year to remember."

Following adjournment, auxiliaries were guided around areas of the new hospital. The attractive location of the gift shop; the auxiliary's work room; the interior design and colors of the hospital itself; the eye-catching and beautifully blended landscaping each received high praise from all members. Interest, excitement and particularly challenge were all very evident in this, the first meeting of the Auxiliary to the Huronia District Hospital.

Attend goat sale

Doctor and Mrs. A.D. MacKenzie of Penetanguishene attended the American Dairy Goat Association Convention and spotlight sale this year at Santa Rosa California.

An indication of the increasing popularity of the Dairy Goat was the high prices bid at the spotlight sale. The record price of \$5,700.00 was paid for a Toggenburg doe. The average price of the 25 goats sold was over \$1300.00.

A Toggenburg doe Dahl Acres KGC's Klarissa will be arriving at her new home Beltalex Farm Penetanguishene to add to the genetic pool of purebred Toggenburgs, one of the three breeds raised for high milk production breeding stock by the MacKenzies.
