For Water and Light Commission

Pia Brunelle

Since I am a relatively new candidate in the upcoming elections, I would like to give a brief resume of myself. I have been a resident of Penetanguishene for the past five years and am presently employed at

the Midland Post Office as a postal clerk.

As a concerned citizen, I would like to acquaint myself with the present trend in our use and need of our basic natural resources - water and power. As a representative, if elected, I want to support a wise and feasible use of these necessities. Sustaining a policy that will best serve the residents of this town as a whole, and, individually, will be my main endeavour. Thank you for your kind support.

Hilda Sibthorpe

Tiny Township

For deputy-reeve - Hilda Sibthorpe

I am seeking re-election as Deputy Reeve in the Township of Tiny.

I am experienced in various areas of municipal concern.

I was a school trustee for eight years, member of the first Township Recreation Committee as well as a member of the original Library Board.

As an elected member of Council I have been Finance Chairman for the past four years, served on Planning Board and am Township representative and treasurer of the Huronia District Hospital Board.

At the County level I am chairman of the Simcoe County Recreation Committee.

I believe that in the next two years the council will have to continue with careful planning for the future of the municipality. We all value the lifestyle that we have in Tiny and we need responsible people taking a serious look at the consequences of rapid growth.

The Township of Tiny has kept well within the anti-inflation guidelines and I will work to see that

we continue in that fashion. I have the time to devote to the affairs of the Township of Tiny and the experience to fill the position of Deputy Reeve to the benefit of all the township residents.

For deputy-reeve - Basil Dorian

My platform is based mainly on planning and zoning matters. I feel it is a waste of taxpayers' money to spend thousands of dollars formulating plans

not always followed by the municipality itself. We spent a lot of money preparing three Secondary Plans for the beach

ning Board do not believe this policy can be enforced, yet vote for it because it is policy of the Ministry of Housing. I don't believe this is responsible government. I would like to "again" voice my objection to raising the minimum lot size of 10 acres in the Agricultural Zone to 50 acres.

My policy would be to allow smaller lots of 25,000 square feet, but to limit it to one lot per unit. I am also against the Rural Policy of the Area Board which would virtually freeze rural area from any further

severances. During my four years on Council, I have made my views known on certain matters. I felt and still feel, it is better to be open than to mislead people. I have always tried to be just and impartial about Council

matters and it would be my aim to continue in this fashion.

I am representing myself for Deputy Reeve because I feel I have a lot at stake for the future of my growing family, as well as for each and every one of this township.

For councillor

Vincent Marchildon

I have decided to be a candidate for the position of Councillor for Tiny Township in the upcoming election on December 6.

municipality.

I am presently Head of the Language Department at Midland Secondary School. During 14 years of teaching, I have sat on 22 committees, and served as chairman of 13 of those. I feel this is an invaluable asset, considering that the major portion of municipal decisions are made in committees or at meetings.

I don't intend to be the victim of what I call "pocket politics". There will always be little pockets of people or individuals wanting to get things accomplished for themselves. That's fine. That is their right. However, my main concern, at all times, will be the betterment and the enrichment of the township as a whole. If, within this framework, I can be helpful to individuals or small groups, all the better. If, after a two year term as councillor, the voters of Tiny Township could say I always strived for fairness and justice, I would consider my job as having been well done.

Your support on December 6 would certainly be welcomed and appreciated. I assure you it will not be wasted. If you are not convinced, please call me at 533-2703 for an informal chat. Remember the name is: Vincent A. Marchildon. P.S. I guarantee to attend every meeting and not at the taxpayers' expense.

Vincent Marchildon

I am in the running strictly because I have something positive to offer the people of the
