

# B. and J. knocks off league leading Ken's Esso

Ken's Esso, of the Penetanguishene Recreational Hockey League, was handed its first defeat of the season Sunday morning, at the hands of B and J Gas Bar.

B and J won that game 4-2. The teams played through a scoreless first period, and nearly half of the second, before Peter Arbour scored from Jim

Wright, to put Ken's Esso out in front. Larry Patenaude tied the score for B and J, early in the third period, assisted by Brian Merkle, before Billy

Arbour put Ken's Esso out in front again, from Martin McNamara. In the last four minutes of the game, B and J staged a come from behind victory with Terry

Dahmer scoring from John Bell and Ted Devillers, followed by two goals by Jerry Gignac, the first from Sandy McKillop, and the second from Merkle.

In the second game played Sunday morning, Emery's Electric eaked out a victory over Hindson Marine with a last minute goal after nearly three complete periods of scoreless play.

With just 49 seconds remaining in the game, Larry Dion scored with assists going to Ken Popple and Ken Desjardins. Emery's Electric goalie Ted Mason registered his second shut-out of the year.

Ken's Esso still leads the league, with a five win, one loss record, and Emery's Electric is in

second with three wins, two losses and one tie. B and J Gas Bar is in third spot with two wins, two ties, and two losses, and Hindson Marine is still in last place with no wins, five losses and one tie.

Scramble!

The puck didn't manage to find its way into the net very often in last Sunday's game between Hindson Marine and Emery's Electric, as there were no goals scored until the last minute of the game. Emery's Electric scored with only 49 seconds left to win 1-0. Photo by Chris Knowles.
