

## Flyers clobber Owen Sound 6-3

Yes, you read it right! The Midland-Penanguishene Flyers won their first game of the season Friday night as they defeated the team from Owen Sound by a score of 6-3.

The Flyers unveiled a new coach and three new players, brought up from the Midland Juveniles, and ended their 13 games winless streak.

The new coach, Ed Dorion, who was assistant coach for the first part of the season, took over for last week's game after the former coach, Larry Banks, left the team because of a dispute with management over player discipline.

The Flyers didn't take the lead in the game until the 15:45 mark of the second period, but they never allowed Owen Sound to get more than one goal up on them until that point.

Owen Sound opened the scoring in the first period, when Scott McKelvie put one in the net, assisted by Pat Cooney and Mark Kazarian.

One and a half minutes after that goal, Cliff Jordan retaliated for the Flyers, assisted by Larry Fallon.

Still in the first, Owen Sound took the lead again when Pete Playford scored unassisted.

At the 13:18 mark of the second period Rene Pelletier answered with an unassisted goal to tie the score once again.

It was Pelletier who put the Flyers out in front

for the first time in the game when he took the puck from Neil Parker and Gary Walkers to put the Flyers in the lead 3-2.

From that point on they never looked back.

Early in the third period, Paul Robillard added another, from Jordan; two give the Flyers a two goal buffer, which turned out to be all they needed.

Owen Sound came back at 7:05 of the third, as

Kazarian beat Flyers goalie Joe Gibson unassisted to once again close the gap to one.

The final two Flyers goals were scored by Pelletier, from Don Rowat and Andy Lacroix, and Gary Hansford, from Lacroix.

The Flyers and Owen Sound each picked up 14 penalties went to goal tender Gibson, an unusual occurrence, as he picked up two minutes for

slashing, and two minutes for throwing the puck forward.

Flyers' coach Ed Dorion said after the game, "I just thought they played a good game. They came ready to play." He added "They played three periods, which we hadn't been doing."

Dorion gave part of the credit for the victory to the new, more physical brand of hockey the Flyers played Friday

night. He said it was clean hockey, but said, "They got away from the stick checking and took the body."

He said the Flyers had been doing more practising lately because they were beginning to be able to get ice time in arenas around the area. They are now practising Wednesday nights in the Elmvalle arena. Dorion said there would be a lot of travelling involved, but added, "I guess we'll

have to do it." Flyers owner Ron Sauve, said the three Juveniles brought up for the game, Vince Decola, Tim Merkle and Ross Prentice, played well, but said he did not know if they would be staying with the team.

With regard to the change in coaching for the team, Sauve said, "We had to make a change. We had to do something to turn things

around." He emphasized that he was not blaming Banks for the long winless streak. "Without practice time, I can't fault anyone," he said.

Sauve said everybody was getting frustrated, the change was needed, and it was easier to replace the coach, than to replace the whole team. However he said "We are definitely going to make some player changes."

The winning goal

Sticks were raised in jubilation last Wednesday night as Ken Edgar put in the winning goal in the dying minutes of the game between the Penanguishene Brule Garrisons and the team from Bradford. The Garrison won 7-6.

## Juveniles defeat Base Borden

The Penanguishene Juvenile hockey team played Base Borden to a 6-6 tie last Friday night, in a game which saw Base Borden attain a five goal lead before the halfway point.

The Penanguishene team drew first blood only a minute and a half into the first period when Larry Cowan scored the first of three he scored Friday night. He was assisted on that goal by Grant Quesnelle and Pat Duquette.

Then came the Borden onslaught. Dan Kraysier tied the game just a minute and a half later, from Ron McGuire, and before the end of the first period, Albert Dower and Doug MacLeod had each scored a goal, and Kevin Steele had scored two.

Early in the second, Kevin Dubreuil scored, assisted by MacLeod, to

make it Base Borden 6, Penanguishene 1.

But the Penanguishene squad had not given up by any means.

Jamie Neil scored about halfway through the second period, assisted by Cowan and Paul Lefavie, to get them rolling again.

Five minutes later, Cowan scored his second of the night, unassisted, and just one and a half minutes after that, Mike Orser beat the Borden goalie, with Aime Gignac and Duquette assisting on the play, to end the second period with Borden ahead 6-4.

Just 27 seconds into the third period, Cowan brought Penanguishene to within one goal with his third of the night, assisted by Quesnelle and Gignac, and Ray Cote tied the game with the last goal of the night nearly 13 minutes before the game ended. He was assisted by Neil and Lefavie.

The Penanguishene team picked up seven penalties to Borden's eight.

The Midland Juveniles hockey team blew a 3-1 lead going into the third period, and had to settle for a 4-4 tie with the Penanguishene team

Sunday afternoon. Penanguishene opened the scoring five minutes into the first period, as Larry Cowan scored unassisted.

That proved to be the only scoring in the first period, but in the last four minutes of the second period, Midland came back with a vengeance. Ross Prentice scored, assisted by Tim Merkle and Chris Wright, Bob Bray scored, assisted by Merkle, and, with nine seconds left in the period, Prentice scored again, unassisted, to give Midland its two goal lead.

About half way through the third period, Greg Arbour brought Penanguishene to within one, assisted by Pat Duquette and Ken Parent. Ken Cowan tied it up just a couple of minutes later.

It looked bad for the game with the last goal of the night nearly 13 minutes before the game ended. He was assisted by Neil and Lefavie.

The Penanguishene team picked up seven penalties to Borden's eight.

## Minor Atoms beaten by Midland

Midland Baugh and Laumb Minor Atoms filled the net Sunday in their game against Penanguishene, scoring 15 unanswered goals.

David Cambell and Gary Watson shared the shut-out, the second in a row for Midland, as Penanguishene was

completely outclassed and intimidated by the older Midland team.

Penanguishene is using some six year olds in a division that accepts boys up to nine years old.

Guy Jeannotte got the hat trick as well as two assists. Mike Bennett earned six points on two

goals and four assists. Jeff Bales had two goals and three assists, David Bressette scored two goals and an assist.

Shawn Davy also netted two and assisted on three. Jim Farragher scored one and assisted on two. Donald Seeman also scored one, assisting on three. Chris Edwards and Jimmy Green each scored single goals.

During the next few weeks two sport organizations in Town will be holding Bake Sales. The first is to be held by the Penanguishene Little N.H.L. Ladies Auxiliary and will be on November 27, beginning at 9 a.m. in the Arena Lounge.

The second sale will be held on December 1, commencing at 1 p.m. in the Old Dominion Store building on Robert Street West. This sale is being sponsored by the Penanguishene Ringette Association. Your support of these two sales would be greatly appreciated by all the ladies in both organizations.

We are still trying to talk the Senior Citizens of the area into utilizing the ice time being made available to them on Thursday afternoons from 2:15 to 3:45. We have opened this up to include adults as well as the Senior Citizens. So please come and take full advantage of this program, it is free of charge.

I am still looking for further suggestions for the Community Schools Programs scheduled to commence in January. If you have any suggestions please contact me at 549-8492, before the end of November.

Again a reminder of the Don Hayes Hockey School which will be held on the 29, 30, 31 of December. The cost for the three days is only \$22.00 per child and the instruction is the best that can be attained. I would like to see a completely full school this year. Registration forms will be made available at area schools and area arenas.

## Bonspiel held on weekend

A rink from Orillia walked away with the top honours at the Wally's Men's Wear Bonspiel, held at the Penanguishene Curling Club over the weekend.

The team, skipped by Ed Luterbach, included Peter Rayfield, Lyle Johnston and Bruce Culver, and they each won a trophy, and \$125 worth of clothing from Wally's.

There were 32 rinks entered in the two-day event, some from as far away as Toronto and Guelph. Two of the teams entered were in the Ontario finals last year. About \$1,600 worth of prizes were given out at the spiel, termed one of the largest in Simcoe County by organizer and sponsor Wally Meisinger.

The runners-up were skipped by Ron Willis, and play out of St. George's Golf and Country Club in

Toronto. This is the third year in

a row the spiel has been held, and is the second

year in a row it has been won by Luterbach's rink.

Good shot!
