Indusmin Bantams split hockey action

Midland Indusmin Minor Bantams earned two out of a possible four points in weekend hockey action. Friday night they

lost to Creemore 7-4, but rebounded on Sunday with an 8-4 decision over Collingwood. Midland led three to one

at the end of the first period Friday night but went downhill from there. Creemore responded with six goals to Midland's one

in the final two periods. Scoring for Midland were Danny Hall, Pat Brodeur, Paul Hahn and John Wright. Assists went to Wright, Hall and Brodeur.

In Sunday's game Midland dominated the first period with four goals to Collingwood's one. Collingwood shut-out

Midland in the second and scored two themselves. Midland came back in the third with a strong effort to put the game out of reach.

Guy Forget, Pat Brodeur and John Webb each scored two goals with singles going to Hall and Belanger. Forget also registered four assists.

Bantam 'B's lose in third

Midland Bantam B's came up short in Saturday's action against Elmvale, giving up two power play goals in losing 5-3.

Midland jumped out ahead with a goal by Keith Sager in the first

period before Elmvale responded with two.

Craig Pender took a pass from Brian Garner to tie it up in the second period, but Elmvale surged ahead with two

more before the period ended. Chris Sanderson pulled Midland within one

early in the final period but was unable to apply the tying marker. Elmvale scored the insurance goal with 55 seconds remaining in the game.

Assisting on Sanderson's goal were Garner and Jim Forbes.

'Y' Keegos swimmer competes in North York

Kathleen King was the only member of the Midland 'Y' Keegos among 900 swimmers from across the country at Saturday's North York Hall of Fame swim meet. In four events she placed second three times and registered one sixth place finish.

Swimmers from as far away as Newfoundland qualified for the event. Kathleen was invited on the strength of her past performances where she

led the Keegos in many meets.

She finished second in the 100 metre backstroke, 100 metre fly, 200 metre

backstroke, and sixth in the 200 metre fly. The second place finishes qualify her for a senior meet in Etobicoke.

Furniture & Appliances
Hwy. 26
COLLINGWOOD

The most important time of all to save electricity.

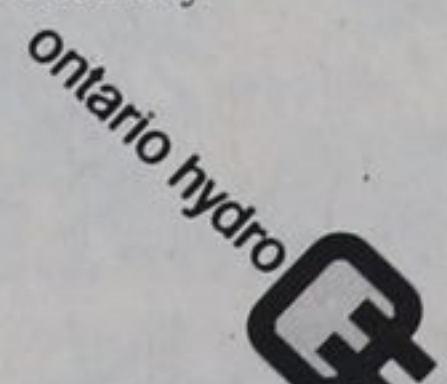

The demand for electricity in Ontario reaches its peak early in the evening on cold winter weekdays.

Between 4 and 7, everyone's asking for electricity. Many factories, stores and offices are still open. Street lights are on. The kids are home from school, parents home from work, evening meals are being prepared. And the heating system has to work harder. It all adds up.

Demands for electricity have been increasing at a pace that can no longer be met. The rate of growth must be reduced.

You can help by avoiding the big jobs like baking, washing and drying between 4 and 7. Make sure that unused lights, TVs and appliances are off. Take it easy on the hot water.

Please do all you can to save electricity.

Conserve energy. The future depends on it.
