The Grey Cup Game is behind us and now its on to Christmas entertaining and the joys the festive season brings to each individual as he or she sees fit to celebrate it.

The football Grey Cup parties were fun for all of us but Contact would certainly like to thank two very special people that put the day to good use. At the party they attended they sold popcorn and peanuts and turned the money over to Contact. It wasn't all that much money but the thought was great and every little bit helps. We at Contact are so grateful for every little bit of help, monetary or otherwise so a special thanks to Mac and Vera Ferrin of Midland.

The octave of Christmas is an especially wonderful and mystic time to be enjoyed. It is tree trimming time, carol singing time, a time to re-discover the warmth of family ties and old friendships. It is also open house time and a time for sharing with the less fortunate, and all culminating in the Christmas Midnight Service. As we step into Church joyful music welcoming the Christ Child floats out, candles gleam, and everywhere the air is redolent with sweet fragrance of fresh evergreens. We are renewed again.

When it is time to decorate the Christmas tree invite the neighbourhood children and your elderly neighbours to come and join with your family for a tree trimming and carol singing party. Children love to sing, and their sweet young voices create the real Christmas spirit. Let them choose their special favorites for the tree, just provide the materials and let them use their imagination. Enlist the aid of the teenagers to make the refreshments and to generally direct the party and a good time will be had by all.

Contact is collecting lists of names of families who wish to share-a-meal on either Christmas or New Years day. So if you do not have a family or any loved ones to be with on these special days please call us at Contact 526-9333 and we will be only too happy to give you a name of someone that is lonely and does not have anyone to share-a-meal with. Sharing with others is the true spirit of Christmas so do open your doors and hearts to someone less fortunate.

Remember the Salvation Army Christmas Cheer Appeal begins on December 10th and runs through to December 24th. Do support the Salvation Army when you are approached.

Remember happiness is helping others to help themselves.
