Santa gave out the presents and candy canes to all the children. Everyone played games sang songs and a luncheon of cookies, cakes and pops were served.

On Dec. 21 the Victoria Harbour Public School held a very successful Christmas concert. The auditorium was packed to standing room only and not very much of that. Mr. Muxlowe the principal greeted everyone and pointed out the new wooden structures on the wall for climbing and how through volunteer help they were able to have them, much more reasonably. As it was too late to have the turkey draw that evening, it was held the next morning.
