

Webbers IDL dominate scoring in Coldwater hockey

This was the first game in a 3 out of 5 game series for the league championship. Webbers dominated the scoring right from the start and

didn't let up till the final buzzer. IDL couldn't seem to get going and were off on their passing. Of course this is only the first game and there's no

saying what's going to happen or how the series will end with these two teams.

Jim Thomson opened the scoring for Webbers at 13:11 of the first period on a pass from Gerry Hawke and Frank Gill. At 12:44 George Archer made it 2-0 on a pass from Randy Giles and Terry Sallows. Both teams were checking hard and Webbers goalie Jim Langman made some fantastic saves, when you're facing a team like IDL it pays to be on your toes and not make any rash moves.

With 3:48 left in the period Gerry Hawke gave

Webbers a 3-0 lead on a pass from John Devine. At the end of the period the score remained 3-0 Webbers.

Chuck Hatfield scored for IDL at 18:47 of the second period on a pass from Paul Bressette and Webbers came back with four more goals to make the score 7-1. The goals were by: Jim Thomson at 12:24 from Ron Lee, Frank Gill at 11:48 from Ron Lee. At 10:12 Ron Lee from Frank Gill and at 10:00 John Webber from George Archer.

Tempers started to show a bit in this period but the players kept their cool. There were no more

goals scored in this period and the score remained 7-1 for Webbers. At 16:39 of the third period Gil Ormiston scored IDL's second goal of the game from Karl Todd. The play in this period started to get a bit chippy but the referee and linesmen kept it well under control.

Ross Cousineau was carried off the ice during the second period after an injury to his right knee. Apparently it wasn't too serious, but painful. Here's hoping we see him back in the lineup real soon.

At 13:59 John Webber scored on a pass from Randy Giles. At this point in the game both teams were edgy and by 5:38 the referees had handed out 7

penalties. Earl Cousineau received a game misconduct during the third period, according to officials high and slashing are both five minute majors and any player receiving two majors in a game receives an automatic game misconduct.

At 5:12 Jim Thomson scored again for Webbers on a pass from Gerry Hawke and Ron Lee. Thomson scored once

more at 4:34 to give Webbers a final 10-2 score. Gerry Hawke assisted on Thomsons last goal.

If this game is a sample of what's to come we're in for quite a series. The game starts at 8 p.m. next Friday night at the Coldwater Arena. Admission is \$1.00 Senior citizens and children under 12 admitted at no charge.

MSS Seniors lose 65-53, out of playoffs

Steve Agnew returned to the Midland Secondary School Senior Basketball team's lineup on Wednesday, but his 23 points were not enough to power the team to victory.

Orillia District Collegiate and Vocational Institute beat MSS 65-53 in the semi-finals of the Georgian Bay Secondary School Association

playoffs. The game was the last for the outstanding guard in the purple and gold of a MSS uniform. Both Agnew and Mark Rintoul will be graduating at the end of this school year. The game was also the last for the MSS team as they have now been eliminated from the playoffs.

Two rinks from the Midland Curling Club won the division finals in the Ladies' Tankard Playdowns held in Owen Sound last Wednesday. The double entry rinks will now compete in the Southern Ontario Ladies' Curling Association Tankard Finals to be held

in Galt March 21 and 22. From left to right are: Helen Steffler, Doreen McCurry, Wilma Gorms, first rink skip Shirley Stokes, second rink skip Lynn Morton, Vivian Shaw, Diane Vollick and Marg Bourgeois.

Orillia squeezes by Zellers Flyers 4-3

The Zellers Flyers had a rather quiet weekend having only a single exhibition game against Orillia Saturday night in the Elmvale Arena. The Midland and Orillia lads had met previously throughout the season, five times before in exhibition matches with Orillia having won three, tied one and one loss. All games had been close encounters with one goal deciding the outcome and Saturday night was no different as Orillia once again squeezed by with a 4-3 win.

The first period was scoreless but Orillia took an early 2-0 second period lead in goals by Robbie Murphy and Pat Morris. With just over three minutes remaining Owen Quilty brought the puck from behind the Orillia net and tucked it in and the second period ended 2-

1. Shawn Bylow made it 3-1 Orillia as 1:27 of the third but Ralph Seemann laid out a perfect pass to Billy Kennedy and the Flyers closed 3-2 at 5:06. Three minutes later Robbie Murphy restored the two goal lead for Orillia but with 4:13 remaining Mike Mayloughlin who assisted on Flyers first goal deflected a shot into the corner of the net making it 4-3 and the Flyers pressed for the tying goal. With just over a minute remaining, Midland pulled their goalie for a sixth attacker, but although they came close, Orillia was able to bar the door and hang on for their 4-3 win.

Flyers have a busy schedule ahead of them, Thursday night they are in Collingwood to play a

re-scheduled league game, very important to the line of Owen Quilty, Donald Seemann and Tommy Hook who are 1, 3, and 4 in league scoring stats. Then on the upcoming weekend the team heads south for the Golden Puck Tournament in Port Colborne with their first game scheduled for 10 a.m. Saturday morning against the Six Nations hockey team. Other teams competing in the tournaments are Dunnville, Acton, Hamilton, Niagara-on-the-Lake, Caledonia and Beamsville.

HIRE A STUDENT. FOR A DAY, A WEEK, A MONTH, FOR ANYTHING.

Let's face it. Hiring extra help has become difficult for most small businessmen. That's why summer students represent such a good opportunity for you.

Think There must be some short term projects around the office, plant or store that you've been putting off until you could free someone up. Maybe your warehouse needs to be reorganized. How about that mess behind the shipping dock? Perhaps the furnace room needs repainting. Doesn't the summer holiday schedule put a bit of a strain on your clerical capabilities? The possibilities are virtually without limit.

And that's what summer students are for. Your Canada Manpower Centre for Students is geared up to place capable, eager young men and women in the workforce for as little as a day, a week, a month. Or as long as you need.

Do yourself and your staff a favour. Contact your nearby Canada Manpower Centre for Students today and tell us what a student can do for you. It could be your opportunity of a summertime.

HIRE A STUDENT: THE OPPORTUNITY OF A SUMMERTIME.
