

Community Centre 'go' for Coldwater Fair

by E. Lorraine Orr
Will the Coldwater Community Centre be repaired in time for the Fall Fair September 30, was the query of the

members attending the Agricultural Society meeting last week. The President Elmer Gratrix and Vice-president John Orr were delegated to meet with the executive of the Community Centre Board to obtain definite information on this problem. They were assured that the tender agreement would include a stipulation that all workmen and material would be cleared from the arena and area from September 27 to October 2 inclusive.

A motion was passed increasing by 25c per entry, all prizes in the School Fair. Ten new display tables are to be made by John Orr. These tables are 3/4" plywood with detachable metal legs, to allow for easy storage. Requests are already arriving for display booths in the arena and John Jennett was once again appointed to supervise the allotting of this space.

60th anniversary

It was a happy occasion out in Wyebridge on Saturday as Howard and Annie Toole celebrated their 60th wedding anniversary. The anniversary celebrations were held at Ron Toole's home, a nephew of the day's guests of honour, and by those winning smiles — you know everyone had a good time. Staff photo
