With the strenuous weekend of the Arenathon behind us, the fund raising for the Arena has had an excellent start. The Telethon was a great kick off for the campaign and for me it really was great fun to work as a committee member representing Contact. A special congratulations to Dick Ivens and his committee that put the whole thing together with the aid of CKMP Radio station and Bill Johnston of Cable 12 T.V. The talent which performed throughout the 24 hours was completely drawn from the local area and each and everyone of them gave their best performance. The ladies that handled the phones did an excellent job and when the total figures are all tabulated we will know that the Arena is well on its way. Again congratulations to everyone involved who gave of their time and talents so generously.

With the spring come many invitations to attend teas, bake sales and garden parties. Watch for the announcements in the news media and if you plan to attend some of

these functions why not invite a friend or a shut in to go along with you and enjoy a friendly cup of tea.

If you have information regarding your organizations activities please call us at Contact at 526-9333 so we can put it

in the event Register and therefore eliminate overlapping of special events. Everyone benefits by registering with Contact so please call with the required information; date, time,

place and event and we will put in on our files. Contact would like to publicly thank the ladies of the Calvary Baptist Church for their warm hospitality and hours of good fellowship afforded

the Senior Citizens of Midland and especially the recipients of our Meals-on-Wheels program. The supper was provided by the ladies of the Church and it was simply delicious.

"If you're dreaming of an Armstrong Solarian® no-wax floor... just look at this sale price!"

"We want to make it easier for you to own a no-wax floor! Because—let's face it—buying a floor you have to wax is like buying a car you have to crank by hand. Or a shirt you have to hand-iron. Nobody wants the drudgery of stripping off old wax and putting on new. With Armstrong Solarian, life is a lot easier. The Mirabond® wear surface keeps its sunny shine far longer than an ordinary vinyl floor. Every time you mop it clean, it really does look just-waxed!"

"That's why we're offering—for a limited time—a big selection of Solarian patterns and colors at this special "Stop Waxing" sale price. Come in now, while you can have your pick . . . they won't be here long, at this price!"
