

Rosalie Stephenson

MRS. W. STEPHENSON, OF ORILLIA, just one of the many shoppers of Fuda's, says she has compared prices and for her money Fuda's is the place to really save. They always carry a wide variety and the courteous sales staff is always ready to assist you, when you require it. The supply on hand of canned goods seems to be unlimited. She finds their produce has always been fresh and the wide choice of meats is always reasonably priced. No matter if you buy at their regular price, or their many specials, Fuda's is the one place you can really save!
