

MSS volleyball clubs win tourney at STHS

Midland Secondary School came up winners again in exhibition volleyball play at St. Theresa's High School Thursday, with three wins in both the junior and senior classes against competitors from Orillia District Collegiate and Vocational Institute and the host team.

Among seniors Midland Secondary had a slight edge over their opponents from STHS and Orillia District Collegiate and Vocational Institute, winning three of their games and losing only one. The MSS squad took both games with St.

Theresa's Crusaders, 15-11 and 15-4 but, split their series with Orillia 15-11 and 9-15.

St. Theresa's won both of their matches against ODCVI by scores of 15-9 and 15-11, giving them second place.

In the junior series, St. Theresa's came out ahead by a single win, only because the juniors played an extra game against MSS, giving them two wins and a loss. In the first game with MSS the Crusaders scored a 15-8 win but succumbed in the second game 15-2. The third game was an extra

round of practice for the teams' rivalry. STHS took it 15-9.

The midget teams were not as evenly matched and in the end it was Orillia who won all of their games playing against STHS and the midget team from Stayner. MSS had no midget team at the tournament.

St. Theresa's gave Orillia the toughest struggle, in their two games but Orillia outscored them finally, 15-12 and 15-10. Against Stayner, Orillia won 15-11 and 15-7. St. Theresa's and Stayner traded games in their match up. STHS took the first 15-8 and Stayner the second 15-11.

Mid-court struggle

Lorrie Higgs has a mid-court duel with a member of the Brock District High School team in a Senior girls basketball match at Midland Secondary School, Thursday. MSS was frustrated at every

turn and without coach Chester Graham on the sidelines could not prevent the 43-10 drubbing they suffered at the hands of a well drilled team from Brock.

Cannington's cagers too much for MSS girls

Midland Secondary School's basketball girls were winless in three attempts Thursday, as the midget, junior and senior teams were all defeated by Brock District High School from Cannington.

The senior girls were almost chased off the court by Brock as they lost 43-10, a situation which left them understandably frustrated.

"The girls were playing without their regular coach," said Bobbie Andrews, coach of the midget and junior teams.

"They couldn't do anything themselves to adjust to Brock's two-one-two zone defense," Chester Graham normally tutors the senior girls' team but on this occasion was away with the school's golf team.

"The score might have been closer, if he had been there," said Andrews.

High scorer for Midland was Heather Stewart with six points.

pace with Brock until the second half. After that the Cannington team ran away with the game to win it 35-18.

"We were putting the ball up a lot," Andrews said, "but we just couldn't put it in. The Brock team shot very well — they have a lot of experience."

High scorer for the junior girls was April Leworthy with 11 points. Sheila Lizotte also played a strong defensive game for Midland, stealing the ball from opposing

players on several occasions.

The Midget girls lost their game by a mere two points in a low scoring game that Brock won 10-8.

"It wasn't much of a game," said Andrews, "it was more interesting than the others, the midgets aren't afraid to shoot and they drive well, but they need a lot of work on fundamentals."

Lori Taylor's four points was the best performance of the game for Midland.

Poised

St. Theresa's Doug Birch was ready to receive this serve during a match between STHS and Orillia District Collegiate and Vocational Institute Thursday, and he had little trouble setting up the return for his team mates. STHS won both of their matches with ODCVI 15-9 and 15-11 at the exhibition tournament sponsored by the Crusaders.

Toole takes second

It looks as if Tim Toole of Midland will finish his racing season in the Modified 50 class in second place after Saturday's Sportsraft National Championship race in Caledonia, Ontario was rained out.

Toole is currently in second place and will not have an opportunity to catch leader Dwayne White of Peterborough.

In the Grand Prix Hydroplane class, however, Toole will finish first after leading for most of the season.

There is one more race

left this season that will award points toward the national championship, but it is being held in New London, Connecticut and Toole says he will not be able to attend.

The season's standings will not be made official until the end of the month.
