

Judges have difficult task in choosing three downtown window art winners

Marie Moreau a fourth year art student at Penetanguishene Secondary School won the Christmas window decorating contest for her

Smiling snowman

Ruth Rose and Vince Moreau score a painting on the window at Stoneleigh Motors on Saturday. It took the four judges well over an hour to judge all the paintings done by 29 different Penetanguishene Secondary School students.

Two youths charged in break-ins and theft

A pair of Penetanguishene teenagers have been charged following a theft and attempted theft at two residences last week. John Ambrose Moreau, age 17 of Fox St. and a 15 year old accomplice were charged yesterday with theft and breaking and entering with intent to commit a crime. Moreau will face an additional charge of possession of stolen property when he appears at Midland criminal court January 9. Both are also charged with possession of a narcotic.

The charges result from investigations following the theft of \$1,259.00 worth of camera equipment from the residence of David Paille on Burke St. Friday and a break-in at Thelma Turcotte's Church St. home Saturday.

depiction of a surprised Santa pulling on his trousers in time for his Christmas flight. Marie won \$75 for her painting, which is on the window at the Post Office on Main Street. The only criticism that the four judges had, is that the picture is not perfectly centred on the window.

The second place prize of \$50 went to Wendy Ladouceur another fourth year art student. Wendy won for her picture of a mouse and a cat cozily resting in the same bed. Underneath the picture is the caption "not a creature was stirring."

Michelle Robitaille a second year art student took third prize of \$25 for her display in Maurice's Furniture Store. Michelle was the only contestant who constructed a scene out of papermache and props. She made a living room Christmas scene with Christmas tree, fireplace, a rug on the floor and a picture on the wall.

April Copeland in year five art, won an honorary mention for her picture on the left hand side of the MacDonald's Hardware

window. Along with Kris Gary King in third year art and Patricia Gilligan in fourth year art, won honorary mentions for their pictures in the Hotel

mention for his picture on the window of Huronia Brule and the Water and Light windows respectively. Tim Hook received the last honorary

Security. The judging took well over an hour to do and all the judges admitted that it was an extremely difficult task. Mayor Vince Moreau along with

Giles Ouellette, Gill Robillard and Ruth Rose performed the duties as judges. Each window display was marked out of 10 in two categories, by each

judge. The two categories were creativity and imagination. The age and skill of the artist was taken into consideration. After all the judges had completed their own assessment they added their scores on each picture together. The winners were all scoring in the 60's. Those with honorary mentions all scored in the 50's.

The window decorating was sponsored by the Chamber of Commerce, the downtown businessmen and the students at Penetanguishene Secondary School.

An A plus for you

The four judges in the window decorating contest - Gill Ouellette, Ruth Rose, Vince Moreau and Giles Robillard, all concentrate on their scoring sheets. The judges admitted they had a tough time deciding which was the best painting since all of them were so good.
