Up for the shot

Midland's Garth Houghton (12) strains to tip in a shot during senior basketball game between Midland and Penetanguishene Secondary Schools. Midland kept their unbeaten record intact with a 77-51 win over PSS.

## Seniors' unbeaten string intact, beat Penetanguishene 77-51

Midland Secondary School maintained its undefeated record in boys senior basketball Wednesday with a 77-51 win over Penetanguishene Secondary School at the PSS gym.

Midland took the lead in the first quarter, but Penetanguishene kept it close and trailed by only six points after the first

quarter and stayed within eight points by the half.

Midland's full court press began to effect Penetanguishene's defence by the second half however, and they quickly jumped into a 20-point lead which they held until the end of the game.

"We controlled the ball well," said Penetanguishene's Ralph

Battrick, "but we didn't capitalize on our chances."

Glenn Bannan led all Midland scoring again with 18 points in the game, James Moreau was second highest with 13 and Brad Schuman scored 12.

Penetanguishene relied heavily on Frank Berdan for their scoring and he came through with 25 points as high scorer of the game. Ken Tessier was closest to him for PSS with 12 points.

The difference in scoring distribution is one of the keys to Midland's success, according to Battrick.

"We just don't have the shooting depth that they do and we ran out of power. They get scoring from four or five guys and it makes a difference."

Penetanguishene's Juniors were more successful against their rivals from Midland, winning 59-42, despite a full court press by Midland for the entire game.

"They made us turn over the ball," Battrick said, "but they couldn't put it in the basket afterwards and we were able to get it back."

Penetanguishene's high scorer in the game was Mike Berdan with 14 points while Brent Farquhar was one point behind with 13 points.

In the Midget game Midland won a 64-43 decision over Penetanguishene.

High scorer for PSS was Dave Atkinson with 17 points, followed by Keith St. Amant with 14 points.

## Civitan's lead playoff series

Midland Junior Civitans jumped into an early lead in their Ontario Minor Hockey Association Playoff series with Collingwood Monday, as they skated to a 4-0 win at the Wasaga Beach Arena.

Paul Teela held Collingwood off the scoreboard the few times he was called upon, but Midland played most of the game on the attack scoring two goals in the first period and one each in the second and third to take a 1-0 lead in the series.

Gerry Borsa and Paul Hahn both earned a pair

of points in the game as they scored once each in the first period. Hahn assisted on the first goal by Borsa who returned the favour moments later with an assist on Hahn's goal. Brad Copeland earned the second assist on Borsa's goal.

Pat Brodeur made it 3-0 with a goal from Guy Forget in the second period and Dan Hall scored Midland's fourth goal unassisted in the third period.

The second game of the best-of-three series will be played Sunday in Collingwood, starting at 6 p.m.
