Notice Re: Water Rates

To all residents who use water from the Village of Port McNicoll. Due to the increase in materials, labour and maintenance cost the public utilities Commission have no alternative but to increase the water rates by \$12.00 per year as from the 1st of May, 1978.

This will mean an increase on your utility bill of \$2.00 which in actual fact is \$1.00 per month.

CARDS OF THANKS

It is hard for one to take a little word like "Thanks" and try to express their deep feelings to so many people for showing so much human concern. T—is for our "Thoughts" expressed verbally or in prayer. H—is for your "Heart" felt concern shown in so many ways. A—is for "All" my family being there "All" the way with me. N—is for your "Numerous" get well wishes in cards, flowers, visits and gifts. K—is for your "Kindness" - loving kindness shown in a mere call or a complete meal prepared. S—is for the "Special Skills" that God has given Dr. Brasher, Dr. MacKenzie and the nurses at Penetang General Hospital. "Thanks" from— Peggy Dove 31

When you walk into a branch of Sterling Trust, we won't offer you special cards, clubs, keys, or billfolds initialed in gold leaf. And the service charges and monthly fees that go with them.

What we do offer is free chequing that's free, period. Personal cheques you don't pay extra for. And interest rates you'll find more than competitive. What makes it even nicer, is our people. Sterling isn't so big we can't treat you personally.

And, since we're open longer hours (including Saturday), it's easier for you to drop in and get acquainted. See us soon. Switching to Sterling can help you keep down the cost of saving.
