

Addresses
auxiliary

by Marion Sleep
Mrs. Nancy Keefe, President and fellow auxiliary, was guest speaker at the Huronia District Hospital Auxiliary meeting, April 27. Held in the hospital cafeteria, and preceded by a pot-luck dinner, the meeting was exceptionally well-attended. Part of Mrs. Keefe's busy schedule includes a visit to every auxiliary in Ontario. Having just returned from speaking to the auxiliary to Sick Children's Hospital, Toronto, and on her way to Englehart, she still found time to address some words of wisdom to her own auxiliary.

"Whereas it isn't necessary to 'keep up with the Volunteer Jones' she said, 'Auxiliaries must never close their eyes to suggestions of change. New projects must have volunteers who are capable of carrying them out efficiently.'

"You can't put a square peg in a round hole," Mrs. Keefe continued, "so try and recognize your volunteers' particular skills and use them to your auxiliary's advantage. Because new members mean new ideas, never let your membership become stagnant or closed."

"It is advisable and time-saving for the executive to first prepare report forms with conclusions and recommendations before presenting them to the entire auxiliary for the final decisions," she suggested. Referring to "in-service" volunteer work, Mrs. Keefe said that she prefers the term "project service" which denotes all areas including the ever-important fund-raising.

Regretting that she could only speak to her own auxiliary once during her term of office, she had high praise for the work done by the HDH Auxiliary. In conclusion she emphasized "be positive, if you are an auxiliary. Believe in what you are doing and why you are doing it!"

The general meeting was called to order by president Mrs. Tom Luke, who called on various conveners for reports.

A special centennial annual Summer Antique Market, July 18 to 20 at the Country Mill, stated convener Mrs. Don McPherson.

Dominion Store tapes convener Mrs. J. Lynn had a tape balance of \$614,088.59 on hand. It was voted that several articles needed for auxiliary work be ordered.

Gift shop convener Mrs. Belle McKee thanked all who had contributed to an excellent "first year" and presented a cheque for \$5,500.00 from the shop to the auxiliary's general account.

Past president Mrs. B. Nicholls introduced the new executive members: secretary - Mrs. Yvonne Hook, assistant Mrs. Aldene MacInnis; treasurer - Mrs. Judith McPherson, assistant Mrs. Marianne Adamson.

The president then closed the general meeting prior to the beginning of the Annual Meeting.

Vandals
strike

mall site

Midland police are currently investigating an incident of vandalism which occurred sometime Sunday night or early Monday morning at the new industrial mall on William Street near Heritage Drive.

Police say that a quantity of clay type sewer pipe had been smashed with what is suspected to be a sledge hammer.

Total damage is estimated at \$1,280.

A superintendent for Yorkdown Developments, the owners of the mall, told police that the piping had been on the site awaiting installation. He said that it had been checked at about 5 p.m. Sunday, and all appeared to be in order. However, when superintendent arrived at the site at 8 p.m. The smashed piping was discovered Monday morning.
