Student Manpower

by Ruth Lamoureux

It's May, and your summer job prospects have all lead to dead ends. You're discouraged. You've done everything you're suppose to - planned your strategy, hand delivered your resume with an introductory letter. Guess you'll just have to sit and wait, right? Wrong! There's one more technique. It's old but it works. Search for a job on foot. That's right, knocking on doors is one of the best ways to get a job.

Why is door knocking so impressive? It could impress upon the employer that you're a go-getter - a definite asset to the company.

How do you go about it? Visit smaller places of business. Visit when the employer would not be busy. Ask politely whether there are any openings. Speak clearly and confidently. Be prepared for a turn down, but always leave your name, address and phone number, or better yet - your resume. Jobs often become available with little notice and the employer may remember your face.

One more tip - always go alone! Pals or parents have a very negative effect on employers. The employer won't need you if you need others for moral support.

Don't be discouraged. There's a job out there - you've just got to persevere and find it! Incidentally, keep in touch with Student Manpower. Jobs are coming in.

Wyebridge WI reunited with honorary member

by Joy Maynard

On May 8, the monthly meeting of the Wyebridge Woman's Institute was held at the Huronia Nursing Home in Penetanguishene.

Tea was served to residents and members. Refreshments were provided by the Institute and enjoyed by all.

Fruit, cookies and candies were given to each resident and were received with appreciation.

It was a pleasure to be reunited with an honorary member, Mrs.

Lillian Richardson, who resides at the Home. She was presented with a bouquet of flowers which she graciously acknowledged and expressed her pleasure at being able to attend.

The members all felt they had brought a little cheer into the lives of those less fortunate than themselves.

Roll call was "to bring a gift to each resident at the Nursing Home".

The members adjourned to the recreation room and the meeting commenced with repeating the Ode, the Mary Stuart Collect and the Lord's Prayer.

Secretary-treasurer, Mrs. Norine Tilson read the minutes of the previous meeting and

general business was attended to.

To raise funds for the FWIO a plan was made to make an "Autograph Quilt".

A block to be donated by each branch. The completed block was given to President Mrs. Lorna Dorion.

All members names were embroidered on the square and the work was

beautifully executed by Mrs. Marg. Offord and Mrs. Mamie Reynolds.

Institute functions and other occasions.

A collection was made for "Pennies for Friendship" and the Flower Fund.

The meeting adjourned with the singing of "O Canada".

THE TOWN OF PENETANGUISHENE BY-LAW NO. 1978-29

A bylaw to amend Restricted Area Bylaw No. 1975-20 as amended of the Corporation of the Town of Penetanguishene. (Zoning Bylaw).

(ii) a street contained in a registered plan of subdivision registered under the provisions of section 33 of The Planning Act of Ontario.

The Council of the Corporation of the Town of Penetanguishene pursuant to Section 35 of The Planning Act, R.S.O. 1970, and amendments thereto, ENACTS AS FOLLOWS:

2. Section 3.18 is hereby deleted in its entirety and replaced by the following:

1. Section 2.92 is hereby deleted in its entirety and replaced by the following: "2.92 (a) STREET means a public highway or public road which affords a principal means of access to abutting lots and does not include a lane or a private right-of-way."

"3.18 Notwithstanding any other provisions of this bylaw, no person shall hereafter erect or use any building or structure on a lot which does not front on an improved public street."

3. This bylaw shall take effect from the date of passage by Council and shall come into force upon approval by the Ontario Municipal Board.

(b) IMPROVED PUBLIC STREET shall mean:

Read a first, second and third time and finally passed this 24th day of April, 1978.

(i) a street assumed by a bylaw of the Corporation as a public highway; or

(Signed) V. Moreau, Mayor
(Signed) Y.A. Gagne, Clerk

EXPLANATORY NOTE

For several years now Penetanguishene Council has been discouraging development on lanes in town because of the problems in maintaining them. Presently however this policy is not stated explicitly in the municipality's zoning by-law. Consequently the purpose of By-law No. 1978-29 is to clarify the town's position on this matter, to make it quite clear that no new buildings can be built on lanes at the moment.

The effect of By-law No. 1978-29 is to amend two (2) sections of the zoning by-law, one "general provision" and one "definition"; and so this is more of a housekeeping matter than anything else. Furthermore it should be noted that these changes will not affect the zoning of anyone's property.

If you have any questions concerning legislation a check should be made with the Municipal Offices, 10 Robert Street West, Penetanguishene during regular office hours.
