## Lions walk-a-thon

June 4

A Sunday stroll with nature is the name chosen by the Elmvale and District Lions Club for the walk-a-thon planned for June 4.

The walk will start at the community hall in Elmvale going North on the old railroad to concession 11 of Flos, then along this concession to the Base Line, then south on the old second of Flos to Orr Lake. The route will then make its way to the 8th concession of Flos through the maple bushes and from there on to the finish at Huronia Centennial Elementary School.

Refreshments will be served at the half way point and at the finish. The total length of the walk is 12 miles.

Proceeds from the walk will go in aid of the Ontario Camp for the Deaf and other projects sponsored by the Lions for the deaf persons in Ontario.

The Ontario Camp for the Deaf is located on Lake Rosseau just south of Parry Sound off Highway 69. This camp was started by the Rev. Bob Rumble, to give deaf children a place to go and learn the basic necessities of life.

Some of these children, because they were unable to communicate, were put into institutions for the mentally retarded. Rev. Rumble has taken these same children under his wing and with a combination of loving care, patience and friendly surroundings he has been able to help these children lead a normal life, becoming a useful part of society.
