

Gymnastics meet a success

The gym meet at Midland Secondary School went smoothly over the weekend. The meet involved seven schools and 250 participants. All were elementary schools with an age range of 6 to 16. The competing schools were: Corpus Christi school of Penetang, Monsignor Castex school of Midland, Midland Regent school, Victoria Harbour Public school, Huronia Elmvale Public school, Port McNicoll Public school, and Parkview Public school in Midland.

Ken St. Amant and John Turner, physical education teachers at Corpus Christi school, were pleased with the turnout. Mr. St. Amant said, "We want more

participants to get involved in gymnastics but, we were pleased with the turnout." There was no school trophy but ribbons were awarded for first, second, and third were given out to individual gymnasts. The purpose of the gym meet according to Mr. St. Amant was, "We want the competitor to work to the best of his or her ability".

Since last year Port McNicoll has progressed greatly. Mr. St. Amant said with admiration,

"Port McNicoll has made a tremendous improvement in gymnastics over the last year." Adding "there was a higher calibre of gymnastics by all schools this year."

Since the gym meet was

a success Mr. St. Amant was approached by a group of high school students who suggested that he start a gymnastics club in Penetanguishene that would be recognized by the Ontario Gym Federation.

Up and over

The Area Three Gymnastics meet, sponsored by participating schools and the Simcoe County Board of Education, was held on Saturday at Midland Secondary School. Among the schools participating were groups from Midland, Penetanguishene and Elmvale. Staff photo
