

Pleaded guilty to possession

A Port McNicoll youth was given a conditional discharge and put on probation for one year after he pleaded guilty to possession of a small quantity of cannabis resin and cannabis marijuana, in provincial court Monday.

According to the crown brief the police went to the residence of Kenneth Binns on the advice of the RCMP on April 18. Mr. Binns was charged with possession. However, after he appeared in court, Wayne Bradley Quinn admitted the resin and marijuana were his. The charges against Mr. Binns were dropped.

Duty Counsel acted for Mr. Quinn. He told the court Mr. Quinn is 16-years-old and lives and works with his father. He reminded the court that it was a first offence and Mr. Quinn had come forward and admitted the drugs were his. He asked Judge H.E. Zimmerman to consider an absolute discharge.

The judge told the court he was opposed to an absolute discharge. "I think one so young should have some outside supervision," he said. Mr. Quinn was placed on probation for one year. His father was in court with him.

Five days for gas theft

A Midland man chose to spend five days in jail rather than pay a \$50 fine in Provincial Court on Monday morning. His accomplice, also from Midland, elected to pay the fine.

Clifford T. Baker told the court he would rather spend the five days in jail.

Albert Fourrier and Mr. Baker both pleaded guilty to a charge of theft under \$50. According to the police report, the two men were seen carrying cans of gas from the Midland-Penetang Coach Lines parking lot on Bayshore Drive to a car in a nearby parking lot on June 9. The men were questioned by police and admitted stealing the seven gallons of gas to put in their car.

Mr. Baker was escorted to the Midland Police Department holding cells after the case was heard.
