

Ribbon shearing for new firm

It was a double opening ceremony Saturday afternoon. The new NorSim building at 542 Bay Street opened its doors to customers. Owners Gerry Van Klink and his wife Jacki help Midland Chamber of Commerce president snip the red ribbon. NorSim specializes in lawn and garden

equipment, chain saws, tractors, pumps, snow blowers and farm machinery. Also housed in the NorSim building is Bestway Rent-all, the second new business to receive the municipality's best wishes from Ernie Cowden.

Agricrew is back in North Simcoe

Do you need extra help on your farm during the busy summer months? Do you have work that you just never get around to doing?

Agricrew is the answer to your problems.

This program involves teams of four enthusiastic students who will tackle almost any task you give them - from picking stones to painting.

The crews are also available to Agricultural Societies for fairground maintenance.

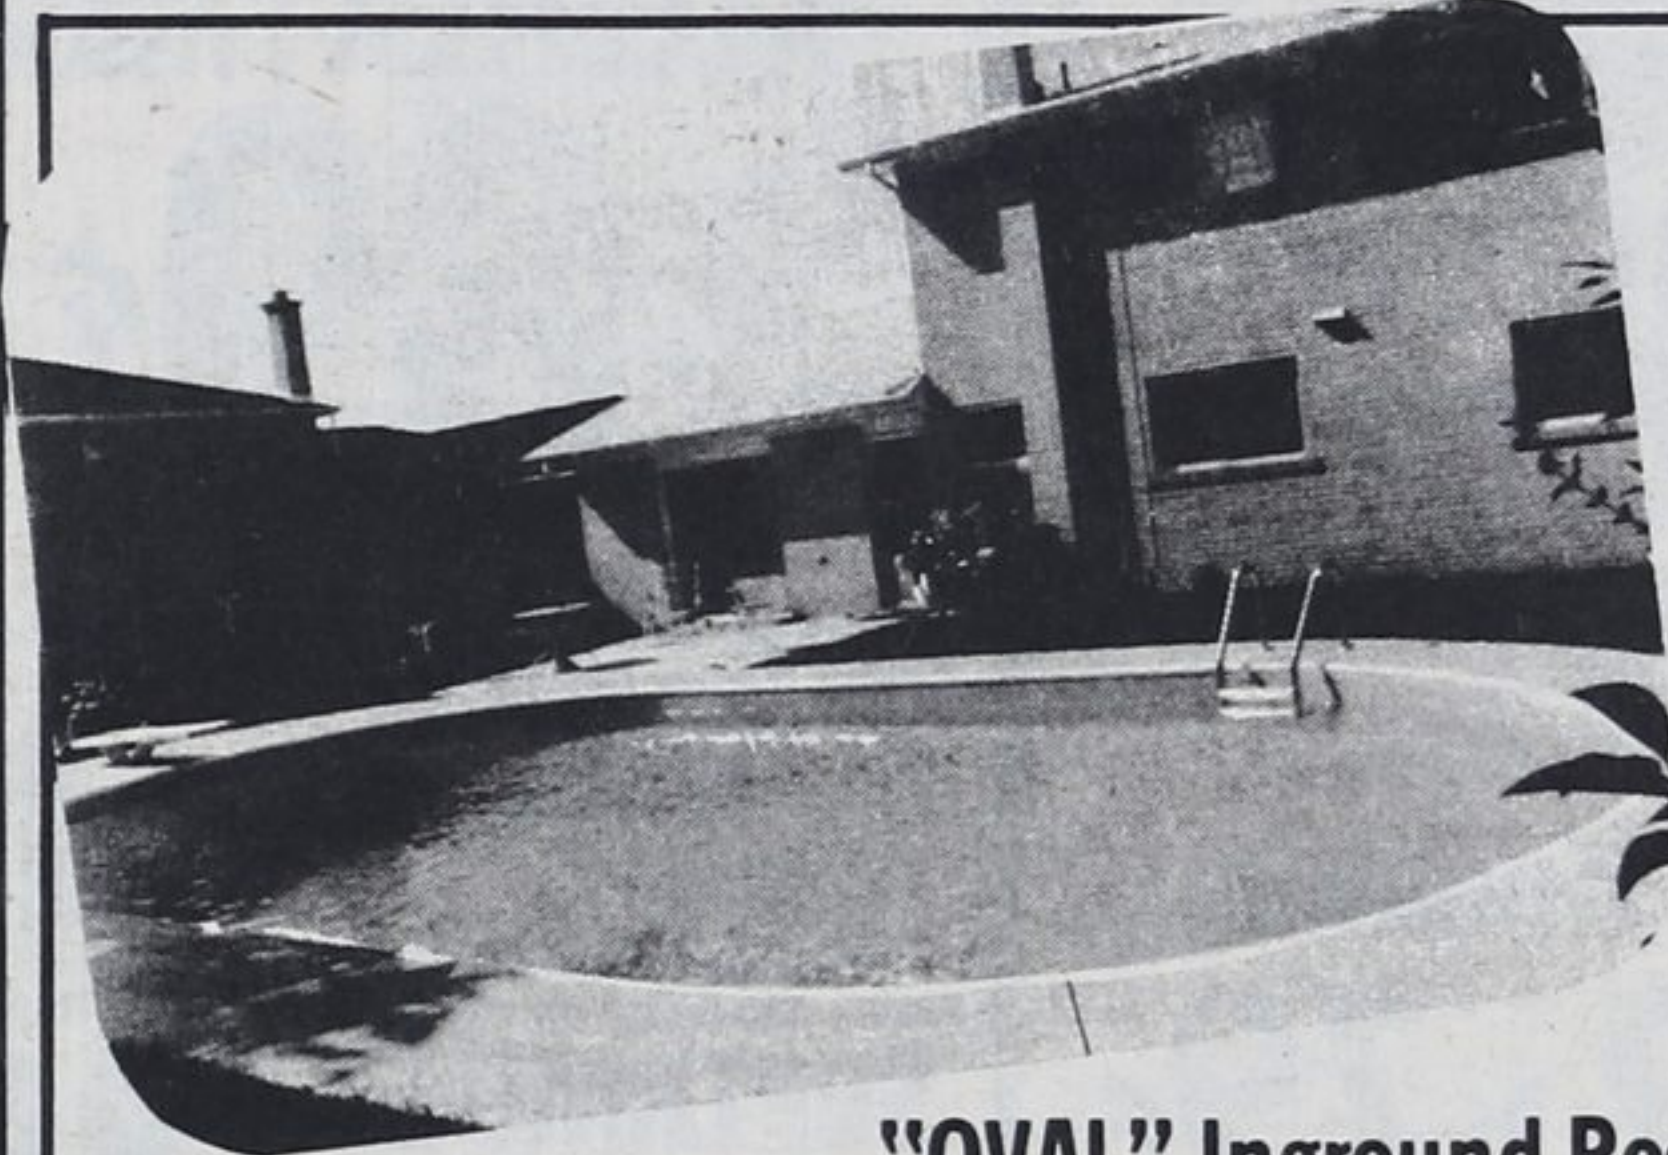

This is your opportunity to give students more farm experience, and at the same time, to get an unfinished job completed.

Agricrews can be hired for one to five days (available after June 23) at a cost of \$90 per day.

For more information, please contact Sandra Wachnuik, Agricrew Co-ordinator at the O.M.A.F. office Elmvalle 322-2231.
