Shondecti registration increases

The number of canoes registered for Shondecti July 12 has risen to 76 Monday. Kathy Voor-

zanger, co-ordinator of special events at Sainte-Marie among the Hurons, said two-man to six-man canoes are entered, and that a total of 166 paddlers have entered.

Ernst Leitz (Canada) Ltd., still has the largest contingent, 15 canoes. An eight-man canoe manned by members of the Courier de Bois

society of Toronto in period costume has been entered. As well six members of the Barrie Canoe Club will be in costume.

Voorzanger said preparations are being made on the assumption that about 200 paddlers will be participating.

Shondecti is a symbolic re-enactment of the annual trip from

Quebec to the original Sainte-Marie among the Hurons by French sailors bringing supplies in the 1640s.

Participants in Shondecti will portage down Midland's main street from the Centennial Arena to the town dock, and then will paddle their canoes down the Wye River to the restored Sainte-

Marie.

Registration was to officially end July 4 but now has been extended. Forms are available at Huronia Office Services, The Parlour, the YMCA and the Midland Chamber of Commerce, in Midland. Interested persons can also register over the telephone if they call
