

Coldwater

by E. Lorraine Orr
Property owners of Coldwater are advised to take special notice of the due date for the 1st installment of tax payment. It has been changed to July 15. The second installment date remains the same - October 3.

Although Coldwater did not have the pleasure of a visit from Governor-General Edward Schreyer and party, we were indirectly involved with his reception. Yelte and Cornelia Bakker, owners of "Al's Deli" had the honor of catering to the affair. Ontario Place in Toronto will have a special meaning for

Kim Beach, daughter of Sheila and Jack Beach of Eplett Street. She visited there last week for the performance of Carole Baker and Freddy Fender, and her front row seat rated her a kiss from Carole and a handshake from Freddie.

The students of Grades 6 and 7 at Coldwater Public School travelled to Ontario Place with their teacher Mrs. Daisy Wilson the week before school ended. The students enjoyed the movie in Cinemascope and also the ride on the paddle boats. Several of the group toured the destroyer "Heidi".

The Daily Vacation

Bible School has started its two weeks of classes at the Coldwater United Church. The three churches of Coldwater sponsor this non-denominational school which is conducted by volunteer ladies of the area. Anyone wishing to register their children may do so by contacting Mrs. Jane Walker, 686-7498. The cost is \$3 per child or \$9 per family. Volunteers needed.

The animals roam free and a bus acted as a cage for 47 local residents when they toured the African Lion Safari at Rockton, Ontario recently.

Cheetahs, lions and leopards were seen dozing while some were gnawing on carcasses of raw meat.

Baboons clattered over the vehicles and

rode to the end of the compound where they knew they would be chased off by an attendant. They would then race back to another car just entering the area and climb aboard for another ride.

Some of the mother baboons had their young clinging to their backs. It was a photographers' delight as the massive rhinos, buffalos, zebras, yaks, camels and ostrich roamed quite unconcerned around the passing vehicles. There are over 1000 exotic animals and birds roaming free in the 500 acre game reserve.

On this particular day 50 busloads of children from Wentworth County were taking the tour. They were delighted to have the passive

giraffes come up to their buses and extend their long necks in the window looking for treats.

Following the tour the Horticultural group enjoyed a picnic lunch and then toured the grounds outside the compound. Here they could see a variety of caged animals which included a donkeybra, a cross between a donkey and a zebra.

Some were fortunate to be watching a peacock when he decided to strut and extend all his feathery finery. Enroute home the group stopped at the Veldhuis Nurseries in Dundas where, as true horticulturists, they purchased many plants.

You still have a chance to win a 1980 Chevelle Malibu if you purchase a ticket for the

July 12 annual Car Elimination Draw and Dance, sponsored by the Coldwater and District Figure Skating Club. Tickets for the car draw may be purchased separately this year at \$10 each. Tickets for the dance at the Community Centre on the same night, to the music of the "Bellaires" are \$3.50 per person.

A Coat of Arms for Coldwater to be used on the chain of office for the presiding Reeve, as the official seal and on all letterheads is the desire of the Village council.

A contest is being conducted, with Councilman Al Brand in

charge of entries (686-7013).

Requirements include a picture with the word GIS-SI-NAU-SE-BING (the Indian word meaning Cold River) and possibly a Latin or English motto. Entries must be turned in to the village office not later than July 10, 1980. The winner will be announced at the Figure Skating Car Draw, July 12.

Mark your calendar for Saturday July 19!

This is the date for a dance at the Community Centre sponsored by the Coldwater Fall Fair board.

Year-end picnic at Marsh

Beautiful weather prevailed for the Midland-Penetangishene Naturalists' Club year-end picnic potluck supper.

Members and their guests turned out for the meal, which was held at Ste. Marie Park recently.

After supper, Bob Whittam introduced the young people in charge of the children's summer nature program: Karen LeClair, Bridget Dietz, Ramona Guthrie, Larry Wagg and Jane Nemis.

Following the picnic members adjourned to the Wye Marsh Centre for a short business meeting, before going on a nature walk led by Fran Westman.
