# Les projets d'été au Centre

AU CENTRE la routine reprend après le départ des étudiants de l'école de la Huronie. Les jeunes sont tous enthousiasmés et travaillent à leur différent projet d'été, soit: Trouvailles d'hier et d'aujourd'hui, Café de la Cour et Théâtre-animé.

### Ateliers

Cours de photographie intensif offert au Centre d'activités françaises au cours de la fin de semaine du 11, 12 et 13 juillet, pour une durée de 21 heures. Prix, si minimum de quinze personnes inscrites: \$30.

Le cours sera donné par Cédéric Michaud, professeur au Collège Cambrian de Sudbury. Cédéric est à écrire un livre au sujet de la photographie, c'est donc dire qu'il est connaissant...

Cours de sérigraphie donné par Gisèle Marchand et Louise Marchildon débutant mercredi le 9 juillet pour une durée de sept semaines. Prix: \$25.00 (matériel non inclus mais disponible à prix de rabais au Centre) - minimum de dix personnes.

La date limite pour s'inscrire à ces deux cours est le 9 juillet au Centre d'activités françaises, 63, rue Main, Penetanguishene, auprès de Gaetane au 549-3116.

### Trouvailles d'hier et d'aujourd'hui

Le groupe composé de Denise Jaiko, Louise Cadeau et Daniel Marchildon, poursuit sa recherche et demande votre collaboration afin de pouvoir réussir leur projet.

Si vous connaissez de vieilles légendes typiques de la région, ou des chansons, des comptines, des récits, etc., n'hésitez pas à contacter soit Denise, Louise ou Daniel au Centre d'activités françaises, 549-3116.

Ils vous en seront reconnaissant et vous aurez l'occasion de passer un beau moment avec eux.

### Café de la Cour

Saviez-vous que notre Café est mobile? Lorsqu'il fait beau, il est à l'extérieur, comme tout le monde le sait, mais lorsqu'il pleut il déménage à l'intérieur du Centre. Le Café est ouvert sept jours par semaine de 11h00 à 23h00 et il y a un spectacle à tous les samedis à 19h30.

### Theatre - Anime

Le groupe de jeunes du projet Théâtre-animé reviennent de leur semaine au campus du Collège Glendon de Toronto avec un bagage théorique impressionnant.

Ils auront l'occasion de mettre leurs connaissances en pratique la semaine prochaine alors qu'ils organisent un petit camp d'été pour les jeunes de 9 à 14 ans.

### Delegation du Quebec

Une quarantaine de personnes, pour la plupart des Jésuites et religieuses, sont venus célébrer le 50ième anniversaire de la canonisation des Sts-Martyrs Canadiens.

Ils ont suivi, en autant qu'il leur était possible, le trajet des premiers missionnaires jésuites et ont aboutis à Penetanguishene lundi dernier.

Ils allaient dîner à Lafontaine et ensuite visiter l'île aux Chrétiens. Neuf prêtres concélébrèrent une messe à l'intention des francophones de la région en l'église Ste-Anne et leur intention principale fut "la paix en éducation"...

## Great Lakes to be included in Cousteau Society film

National Film Board and the Cousteau Society have concluded negotiations for the co-production of a film exploring Canada's east coast and the St. Lawrence River - from the Gulf to the Great Lakes.

The Film Board crew, made up of director Jacques Gagné and cameraman Guy Dufaux, will be on board the ship Calypso for four months along with members of Cousteau's team.

The expedition will be headed by Albert Falco who has worked with

for 27 years.

Filming will begin within the next few days at Halifax and will concentrate on the underwater flora and fauna of the St. Lawrence, 'the youngest of the world's great rivers with the most ancient bed.'

The film will be approximately two hours in length and should be ready at the beginning of next year. World television is already guaranteed. The production, to be edited at the NFB, will be produced by Jacques Bobet.

# Old age security payments are going up this month ...

There was good news for pensioners not only here in Huronia this week but right across Canada.

Increases in the Old Age Security pension, Guaranteed Income Supplement and Spouse's Allowance, effective in July 1980, were announced this week by the Minister of National Health and Welfare, Monique Bégin.

Besides full indexation to keep pace with the cost of living increase, these new rates for the Guaranteed Income Supplement and Spouse's Allowance include the increase of \$35 monthly recently given Royal Assent as part of the Canadian government undertaking to fight poverty.

The basic Old Age Security pension will rise to \$191.28 from the present \$186.80.

Maximum Guaranteed Income Sup-

plement for a single person, or a married person whose spouse is not a pensioner and is not receiving a Spouse's Allowance, will increase to \$192.03 from its current \$153.35.

Added to the basic pension, this gives a person receiving both the OAS and the maximum GIS a monthly total of \$383.31.

The maximum Guaranteed Income Supplement for a married couple, both pensioners, will increase to \$148.07 each from \$127.51. Added to

the basic pension this will give each married pensioner receiving the maximum GIS a total of \$339.35, or \$678.70 for the couple.

The Guaranteed Income Supplement is paid to pensioners whose income, apart from the Old Age Security pension, is limited. The amount of the supplement varies in relation to income.

### Allowance

The maximum Spouse's Allowance will increase to \$339.35 from \$314.31. The maximum

Spouse's Allowance is made up of an amount equivalent to the basic Old Age Security pension and the maximum GIS at the married rate and is paid to persons between 60 and 65 years of age who are married to OAS pensioners and meet residence requirements. Entitlement to a Spouse's Allowance, and the amount paid, is based on yearly income. Where the pensioner

spouse dies the surviving spouse may be eligible for the continuation of the allowance to age 65 or remarriage if that person has no income or a limited amount of income.

Increases in Old Age Security pension and Guaranteed Income Supplement payments are calculated quarterly based on the cost of living.
